During 2017, Kenergy shall render an electric service statement to each customer for approximately 32 days during all months, except May and June, which will be approximately 33 days. During this period of time, the monthly customer charge and the monthly lighting charge will be determined each month by multiplying the daily rate times the number of days billed. The monthly rate shown on each applicable tariff above will be divided by 30.4 (365 days/12 months) to arrive at the daily rate. Also, during this period of time, Billing Demand, as determined under Schedule 5 and Schedule 7, will be divided by 30.4 then multiplied by the number of days billed on the electric service statement.
