PURSUANT TO 807 KAR 5:011 SECTION 9 (1)

1. Seller shall install aforementioned primary metering point in order to provide electric service to Member's manufacturing facility and maintenance shop, and Seller shall own and be responsible for the proper maintenance of said facilities up to the secondary terminals or the low side of each transformer but said facilities are leased to Member in consideration of the facilities charge set forth below.

2. Seller shall sell and deliver to Member and Member shall purchase all electric power and energy that Member may need at the aforementioned location under the terms and conditions of Schedule 7 of Seller's tariff. Member shall (a) Receive the Primary Service Discount of \$.65 per KW of Billing Demand provided in Schedule 7, and (b) Member shall pay a Monthly Facilities Charge as set forth in Schedule 35 of Seller's tariff that is currently 1.15% of Seller's investment to serve the aforementioned facilities. (Member acknowledges that the estimated cost is \$45,830.09 which would result in a monthly facility charge of \$527.05.)

3. If at any time the tariff schedules mentioned herein are modified, the rate for service hereunder shall be correspondingly modified.

4. This agreement shall be binding upon and inure to the benefit of successors, assigns and lawful representatives of the respective parties hereto.

5. This agreement shall remain in full force and effect until terminated by either party giving the other party at least 12 months' written notice.
