

TARIFF E.D.R. (Cont'd)
(Economic Development Rider)

DETERMINATION OF SUPPLEMENTAL BILLING DEMAND DISCOUNT (Cont'd).

- (a) For the twelve consecutive monthly billings of the fifth contract year, the qualifying incremental billing demand charge shall be reduced an additional 3% for an increase of at least 50 jobs or 0.5% for an increase of at least 25 jobs; and
- (b) All subsequent monthly billing shall be at the full charges stated in the applicable tariff rate schedule for contract years six (6) through ten (10)

The length of the SBDD shall be identical to the length of the IBDD. The starting point for the discount will be commensurate with the contract length, i.e., an eight (8) year contract will have four (4) years of discount with the SBDD of either 4.5% or 2.0% as appropriate in year one (1).

The appropriate discount(s) shall be applicable over a period of up to 60 consecutive billing months beginning with the first such month following the end of the start-up period. The start-up period shall commence with the effective date of the contract addendum for service under this EDR and shall terminate by mutual agreement between the Company and the customer. In no event shall the start-up period exceed 12 months.

TERMS OF CONTRACT.

A contract or agreement addendum for service under this Rider, in addition to service under Tariffs L.G.S., I.G.S., shall be executed by the customer and the Company for the time period which includes the start-up period and the multi-year period during which a Total Demand Charge discount is in effect and an equal multi-year period during which the customer agrees to pay the full rates in the applicable Tariff rate schedule.

At a minimum, the contract or agreement addendum shall specify the Base Maximum Billing Demand, the anticipated annual total qualifying demand, the Adjustment Factor and related provisions to be applicable under this Rider, and the effective date for the contract addendum.

The customer may discontinue service under this Rider before the end of the contract or agreement addendum only by reimbursing the Company for any and all demand reductions received under this Rider when billed at the applicable tariff schedule rate.

SPECIAL TERMS AND CONDITIONS.

Except as otherwise provided in this Rider, written agreements shall remain subject to all of the provisions of the applicable tariffs. This Rider is subject to the Company's Terms and Conditions of Service.

TARIFF E.D.R. (Cont'd) (Economic Development Rider)

SPECIAL PROVISION FOR CUSTOMERS ENGAGED IN COAL EXTRACTION OR PROCESSING ACTIVITIES.

Customers engaged in coal extraction or processing activities may receive IBDD for a one-year period or a two-year period upon the terms and conditions of this tariff, except as expressly provided below, by executing a special economic development rider agreement:

One-Year Economic Development Rider Agreement	
Contract Year	IBDD
1	10%

Two-Year Economic Development Rider Agreement	
Contract Year	IBDD
1	20%
2	10%

Customers may reduce in whole or part the incremental billing demand that is the subject of the Economic Development Rider agreement at the expiration of the term of the Economic Development Rider agreement without further obligation. Customers wishing to maintain in whole or part the Economic Development Rider agreement billing demand following the expiration of the agreement shall enter into a new agreement for the incremental billing demand. Such incremental billing demand shall be subject to the applicable full tariff billing demand rate.

Nothing in this provision shall prevent the Company from entering into a special contract, subject to Commission approval, addressing requests to maintain existing load.

This Special Provision for Customers Engaged in Coal Extraction or Processing Activities shall expire on December 29, 2020.
