THE CITY COMMISSION OF THE CITY OF WHEELWRIGHT, FLOYD COUNTY, KENTUCKY, DOES ORDAIN AS FOLLOWS:

SECTION 1

The Kentucky Power Company, its successors and assigns, hereinafter called grantee, is granted the franchise, privilege, right and authority to acquire, maintain, construct and operate in, above, under, across and along the streets, thoroughfares, alleys, sidewalks, bridges, public ways and other public places (as the same now exist or may hereafter be laid out) of the City of Wheelwright, Floyd County, Kentucky, lines, poles and equipment for the transportation, transmission and distribution of electric energy, either by means of overhead or underground conductors, with all the necessary or desirable appurtenances, for the purpose of supplying electric energy to said City and the inhabitants thereof, and persons and corporations beyond the limits thereof, for light, heat, power and any other purpose or purposes for which electric energy is now or may hereafter be used, and for the transmission of the same within, through or across said City.

SECTION 2

Said lines and appurtenances shall be constructed so as to interfere as little as possible with the traveling public in its use of the streets, thoroughfares, alleys, sidewalks, bridges, public ways and other public places.

SECTION 3

The franchise, privilege, right and authority shall be in full force and effect for a period of twenty (20) years from the date of passage of this Ordinance.

SECTION 4

The grantee of this franchise shall save the City harmless from any and all liability arising, in any way, from negligence of the grantee in the erection, maintenance or operation of said lines and appurtenances.

SECTION 5

The grantee of this franchise shall have the right and privilege to take up such portion or part of any pavement and make such excavation in the streets, thoroughfares, alleys, sidewalks, bridges, public ways and other public places of the City of Wheelwright, as may be deemed necessary for the construction and maintenance of its lines, wires, or cables, but whenever the grantee of the franchise shall begin the erection of any lines or other equipment, it shall promptly and diligently prosecute the work to completion, and leave the streets, thoroughfares, alleys, sidewalks, bridges, public ways, and other public places where such work is done in as good condition of repair as before such work was commenced.

SECTION 6

Wherever in this franchise, either the City of Wheelwright, or the grantee thereof is referred to, it shall be deemed to include the respective successors and assigns of either, and all rights, privileges and obligations contained in this franchise shall be binding upon and inure to the benefit of the respective successors and assigns of said City, and said grantee whether so expressed or not.
