ELECTRIC RATE SCHEDULE C. O. Lt. Billing Code No. Mo 10, Bi Mo 20 Customer Outdoor Lighting APPLICABLE: For all territory served. AVAILABILITY: Available for Customer Outdoor Lighting to customers receiving service from Kentucky Utilities Company facilities at the same location. CHARACTER OF SERVICE: Electric service under this rate schedule will be provided only where existing secondary distribution voltage of 120/240 volts is available. See Index Sheet for Character of Electric Service. Service shall be from dusk to dawn every night. Burning time is approximately 4000 hours per year. RATE: The Company to furnish the lamp complete with fixture, reflector, control and 4 foot mast arm. Service and installation of fixture to be made on an existing pole. \$3.00 per lamp per month for each 2500 lumen Incandescent Lamp. \$3.50 per lamp per month for each 3500 lumen Mercury Vapor Lamp. \$4.00 per lamp per month for each 7000 lumen Mercury Vapor Lamp. Where the location of existing poles makes the application of this service impracticable and when the customer requests service under these conditions, the Company will furnish one pole and extend its secondary voltage conductor one span for each such light, for an additional charge of \$1.00 per month for each pole so installed. \$1.00 per pole per month for additional facilities. DUE DATE OF BILL: Payment will be due within ten (10) days from date of bill. Billing for this service to be made a part of bill rendered for other electric service. TERM OF CONTRACT: For a fixed term of not less than five (5) years and for such time thereafter until terminated by either party giving thirty (30) days written notice /to the other. /An Application Card, (Form K.U. 17-1), signed by the customer will be considered sufficient contract. **RULES AND REGULATIONS:** The Company shall own and maintain all the facilities required to provide service under this rate. All service and necessary maintenance will be performed only during regular scheduled working hours of the Company. The Company shall be allowed forty-eight (48) hours after notification by the customer in which to restore service. The customer shall be responsible for fixture replace-ment or repairs where such replacement or repairs are caused from wilful damage, vandalism, or other causes other than normal burn-outs.
