CONTRACT FOR ELECTRIC SERVICE

This contract made and entered into this 26th day of March, 2015 by and between Kentucky Utilities Company ("Company") and Custom Food Products ("Customer").

WITNESSETH:

Beginning See Comments, or as soon thereafter as connection is made, Company will sell and deliver to Customer at 59 Custom Food Drive Owingsville, KY all Customer's electric capacity and energy requirements defined as 3 phase, 60 cycle, alternating current, nominal voltage at the point of delivery of 12,470 volts, metered and billed as Primary service.
Secondary, Primary, Transmission

Customer requires an estimated Contract Capacity of 3,050 kVA or kW, as is appropriate.

Each month Customer will pay to Company for all capacity provided and energy delivered to Customer in the preceding billing period an amount determined in accordance with the

TODP, Time-of-Day Primary Rate Schedule and, as may be appropriate, the
EDR, Economic Development Rider Rider, contract attached if required, and the
Rider, contract attached if required, and the
Rider, contract attached if required.

Comments: This Contract for Electric Service supersedes all other contracts and is effective the first full billing period following approval by the Public Service Commission of Kentucky

TARIFF PROVISIONS: It is mutually agreed that Company's terms and conditions and applicable rate schedule, as from time to time approved by and on file with the Public Service Commission of Kentucky, are made a part of this contract as fully as if written here.

IN WITNESS WHEREOF, the parties hereto have caused this contract to be executed by their duly authorized representatives the day and year shown above.
