TYPICAL ROCK CLAUSE

An additional thirty dollars (\$30.00) per linear trench foot shall be charged where extremely rocky conditions are encountered, such conditions being defined as limestone or other hard stratified material in a continuous volume of at least one cubic yard or more cannot be removed using ordinary excavation equipment.

NOTE: The thirty dollars (\$30.00) per linear trench foot figured is used as an example only and will be increased or decreased according to the current prices supplied by contractors at the time the construction is to be performed.
