Residential Weatherization Program-Primary Heating Source Non-Electric

Purpose

This program promotes increased implementation of weatherization improvements whose primary heating source is non-electric by providing incentive payments to eligible Customers who undertake and complete residential weatherization improvements in accordance with this program.

Availability

Each DSM program offered by the Cooperative is sponsored by Big Rivers Electric Corporation through tariffs applicable to the Cooperative. Each Cooperative DSM program's rates, terms and conditions are available to Customers of the Cooperative, subject to the limitations and eligibility requirements set forth in the Cooperative's tariffs and the sponsoring tariff of Big Rivers.

Eligibility

Any Customer served from a non-dedicated delivery point is eligible for a DSM program.

Member Incentives

The Cooperative will provide 25% of the cost of residential weatherization improvements performed in accordance with this program, provided that the Cooperative must first receive the corresponding incentive payment from Big Rivers.

Terms & Conditions

1. Big Rivers will contract with a third party contractor ("Contractor") that performs weatherization projects for electric utilities.
2. The Cooperative will select eligible Customers' names to submit to Contractor.
3. Contractor will contact the eligible Customers from the name provided and complete the weatherization process.
4. Big Rivers will pay the Contractor \$150 for the initial audit.
