added to the bill. TERMS: In those cases where additional investment is required for three-phase service, it will be rendered only after the following conditions are met:

- A. The customer will give satisfactory assurance by means of a written agreement as to the character, amount, and duration of the business offered.
- B. The customer will guarantee a minimum monthly bill for the three-phase service which will be computed on the basis of 1 1/2 percent of the additional investment, which includes the additional cost of transformers necessary to make three-phase service available. This minimum bill will be effective for a period of three (3) years from the date on which service commences. After this period the regular minimum monthly charge will be effective.
- C. In no case, however, will the minimum bill for three-phase service be less than the previously specified "minimum monthly charge."

SPECIAL RULES:

- A. Single-phase customers having their homes on the same premises may include farm and home service on the same meter.
- B. Service under this schedule includes lighting, incidental appliances, cooking, heating and motors.
- C. Service under this schedule is limited to customers whose load requirements can be met by a transformer having capacity not to exceed 25 KVA.
- D. Service under this schedule is not available to seasonal customers unless otherwise provided for.
- E. Motors having a rated capacity in excess of ten horsepower must be three-phase.
