RULES AND REGULATIONS

10. RIGHT OF ACCESS

The Cooperative's identified employees shall have access to member's premises at all reasonable times for the purpose of reading meter, testing, repairing, or removing, or exchanging any and all equipment belonging to the Cooperative.

11. MEMBER'S DISCONTINUANCE OF SERVICE

Any member desiring service discontinued or changed from one location to another shall give the Cooperative three (3) days' notice in person or in writing provided such notice does not violate contractual obligations.

12. RECONNECTION CHARGE

The Cooperative will make no charge for connecting service to the member's premises for the initial connection of service. When service has been terminated and the Cooperative is requested to reconnect service to the same member at the same location a five (\$5.00) dollar reconnection fee will be charged. Reconnect charge will be due and payable at the Cooperative's office upon notice of said charge prior to connection. No reconnection shall be made after the regular working hours unless in the judgment of the management there exists circumstances that will justify the additional expense.

13. RESALE OF POWER BY MEMBERS

All purchased electric service used on the premises of the member shall be supplied exclusively by the Cooperative, and the member shall not directly or indirectly sell, sublet, or otherwise dispose of the electric service on any part thereof.

14. SERVICE CHARGE

APR 5 1976

The Cooperative will make no charge tot service calls to a member's premises when the fault and repairs are made to equipment owned by the Cooperative. A service charge of five (\$5.00) dollars will be made to the members account when the fault is on the members owned equipment. Said charges are due and payable upon notice of such charge.

RULES AND REGULATIONS

19. SERVICE CONNECTION

The Cooperative shall furnish without charge a service drop to the nearest point closest to the existing line. When the consumers outlet is inaccessable, or the consumer desires that the service outlet be in a location other than the closest to the Cooperatives lines the cost of such special construction shall be borne by the consumer. The distance from closest lines to nearest point of attachment shall then be substracted from the special construction distance, and the consumer shall pay for the difference. This applies to both overhead and underground services. Approval shall be obtained from the Cooperative as to the proper location.

C. METERS

20. METER TEST

All new meters shall be checked for accuracy before installation. The Cooperative will, at its own expense, make periodical test and inspections of its meters in order to maintain a high standard of accuracy and to conform with the regulations of the Public Service Commission.

The Cooperative will make additional test of meters at the request of the member and upon an advance payment of a five (\$5.00) dollar fee. When the test shows the meter to be in excess of 2% fast, an adjustment shall be made to the members bill by recalculating the monthly bills for that period of time that it is known to be fast. In the event the period of time is not known, then a period equal to one half (1/2) of the elapsed time since the last previous test but in no case to exceed twelve (12) months, except that if time for the periodic test has over run, then the time of over run shall be added to the amount unless it can be shown that the failure to make the periodic test was due to cause beyond the control of the Cooperative. The cost of testing the meter found to be inaccurate will be borne by the Cooperative and the five (\$5.00) dollar fee paid by the member will be refunded.

21. FAILURE OF METER TO REGISTER

In the event a member's meter should fail to register, the member shall be billed from the date of such failure at the average consumption of the member based on the three (3) month period immediately preceding the failure.

22. METER READING

Each member receiving service will be required to supply the Cooperative with reading of each meter on the form as furnished by the Cooperative on such date designated by the Cooperative. Upon failure by the member to supply the Cooperative with such meter reading for three (3) consecutive meter reading dates the Cooperative will act by having its representative read the member's meter, and a service charge of five (\$5.00) dollars will be made for the extra service rendered. The service charge will be made to the member's account and will be due and payable upon notice of said charge. In the event that an error in meter reading should be made or member fails to send in meter reading card, the member shall pay for that month either the minimum bill for the service which he receives, or if he should be a larger user, he shall pay an amount approximately equal to his average bill, then the following month his bill shall be computed on the regular schedule prorated for two months and the amount paid shall be credited.

23. BILLING

Т

Members will receive statements for electric service on or about the first of each month for service rendered for a thirty day period ending the 1st day of the preceding month. All statements are due and payable upon receipt and shall be paid at the office of the Cooperative within ten (10) days from date of bill. Failure to receive electrical statement will not release the member from payment obligation. Should the statement not be paid as above the Cooperative may at any time there-after on a five (5) days notice to the member discontinue service provided such service shall not be discontinued before twenty (20) days after the mailing date of the original bill. Should it become necessary for the Cooperative's representative to call at the consumer's premises or other locations for the purpose of collecting a
