### CLASSIFICATION OF SERVICE

**SCHEDULE 2 (Cont'd.)**

The minimum monthly charge for three phase service shall be computed on a basis of 1 1/2 percent of the additional investment, which includes the additional cost of the transformers. The minimum bill will be effective for a period of five (5) years from the date on which service commences. After this period the regular monthly minimum of $5.35 will be effective.

**SPECIAL RULES FOR SINGLE PHASE:**

1. Applications for commercial single phase service shall be required to sign a five (5) year contract to pay not less than the minimum bill for five (5) years.

2. Prior written approval must be obtained from the Cooperative before installation of any motor in excess of 10 H.P. single phase.

**SPECIAL RULES FOR THREE PHASE SERVICE:**

1. The consumer must give satisfactory assurance by means of a written agreement as to the character, amount and duration of the business and complete a five (5) year contract.

2. The consumer will guarantee the computed minimum monthly bill for five (5) years.

3. On three phase installations, all motors 10 H.P. and larger must be three phase.

RULES AND REGULATIONS

32. SERVICE TO TRAILERS AND MOBILE HOMES

AVAILABILITY: Available to Mobile Homes located in the Cooperatives service area subject to the rules and regulations of the Cooperative and the Public Service Commission.

TYPE OF SERVICE: Single phase, 120/240 volts, 60 cycles, transformer capacity of 50 KVA or less.

RATES: As listed under Schedule 1, Residential, Farm, Non-Farm, Trailers and Mobile Homes.

CONDITIONS: Pursuant to the rules of 807 KAR 2:050 Section 11.

Distribution Line Extensions to Mobile Homes:

1. All extensions of up to 150 feet from the nearest facility shall be made without charge.

2. Extensions greater than 150 feet and up to 300 feet shall be made provided the consumer pays in advance a "consumer advance for construction" of fifty ($50) dollars in addition to any other charges required by the Cooperative of all consumers.

3. This advance shall be refunded at the end of one (1) year if the service continues for that length of time, see Par. (8).

4. For extensions greater than 300 feet and less than 1000 feet from the nearest facility the "consumer advance for construction" shall be made at the rate of $1.02 per foot plus fifty ($50) dollars.

5. Beyond 1000 feet extensions the "consumer advance for construction" shall be made at the rate of $1.02 per foot plus fifty ($50) dollars.

6. The cost of service and transformers is not included in any "consumer advance for construction" for mobile homes.

7. The "consumer advance for construction" par. 4 for extensions 300 feet to 1000 feet and par. 5 beyond 1000 feet shall be refunded over a four (4) year period in equal amounts for each year the service is continued.

8. If the service is discontinued for a period of sixty (60) days, or should the mobile home be removed and another not take its place within sixty (60) days or be replaced by a permanent structure the remainder of the advance shall be forfeited.

9. No refunds shall be made to any consumer who did not make the advance originally.

33. UNDERGROUND PRIMARY AND SERVICE (Cont'd.)

EXHIBIT A

AVERAGE UNDERGROUND COST DIFFERENTIAL

(Filed in compliance with Appendix to the order of the Kentucky Public Service Commission in Administrative Case #146, dated February 2, 1973.)

* Average Cost of 1Ø underground per foot $4.74

* Average Cost of 1Ø overhead per foot $1.02

Difference in Cost $3.72

This information based on three subdivisions containing a total of 0.455 miles of 1Ø underground line installed during the year 1977.

* Does not include Rock Clause
RULES AND REGULATIONS

21. FAILURE OF METER TO REGISTER

In the event a member's meter should fail to register, the member shall be billed from the date of such failure at the average consumption of the member based on the three (3) month period immediately preceding the failure.

22. METER READING

Each member receiving service will be required to supply the Cooperative with reading of each meter on the form as furnished by the Cooperative on such date designated by the Cooperative. Upon failure by the member to supply the Cooperative with such meter reading for three (3) consecutive meter reading dates the Cooperative will act by having its representative read the member's meter, and a service charge of ten ($10.00) dollars will be made for the extra service rendered. The service charge will be made to the member's account and will be due and payable upon notice of said charge. In the event that an error in meter reading should be made or member fails to send in meter reading card, the member shall pay for that month either the minimum bill for the service which he receives, or if he should be a larger user, he shall pay an amount approximately equal to his average bill, then the following month his bill shall be computed on the regular schedule prorated for two months and the amount paid shall be credited.

23. BILLING

Members will receive statements for electric service rendered about the first of each month for service rendered for a thirty day period ending the 1st day of the preceding month. All statements are due and payable upon receipt and shall be paid at the office of the Cooperative within ten (10) days from date of bill. Failure to receive electrical statement will not release the member from payment obligation. Should the statement not be paid as above the Cooperative may at any time thereafter on a five (5) days' notice to the member discontinue service provided such service shall not be discontinued before twenty (20) days after the mailing date of the original bill. Should it become necessary for the Cooperative's representative to call at the Consumer's premises or other locations for the purpose of collecting a
15. DISCONTINUANCE OF SERVICE

The Cooperative may refuse or discontinue to serve a member under the following conditions:

1. For non-compliance with its rules and regulations.
2. When a dangerous condition is found to exist on the members or applicants premises.
3. When a member or applicant refuses or neglects to provide reasonable access to the premises for the purpose of installation, operation, meter reading, maintenance or removal of Cooperative property.
4. For non-payment of any indebtedness due the Cooperative.
5. For non-compliance with state, municipal, or other codes, rules and regulations applying to such service.
6. For fraudulent or illegal use of service.
7. For failure to comply with the provisions of the wiring codes. Sections 17 and 18.

16. SERVICE CHARGE FOR TEMPORARY SERVICE.

1. No charges will be made to furnish temporary single phase service to permanent dwellings and businesses during construction, providing that the applicant meets all other requirements under the rules and regulations.
2. Applicants requiring temporary service which will not be permanently served will be required to pay all costs of construction and removal incidental to supplying electric service. In addition to paragraph 2, a payment will be required to cover estimated consumption of electricity. This amount shall be adjusted to actual usage, by refund or additional billing when removed.
3. Both fees shall be paid in advance.
4. This rule applies to fairs, carnivals, circuses, construction sites and any other location of a strictly temporary nature.

17. CONSUMERS WIRING

All consumers wiring shall comply with the rules and regulations of the National Electric Code, Public Service Commission, the Cooperative, State and Local Codes.
RULES AND REGULATIONS

E. CLASSIFICATION

27. PURPOSE OF CLASSIFICATION

Classification is a means for treating without discrimination all members having similar characteristics in their use of service.

28. RESIDENTIAL, FARM, NON-FARM, TRAILER AND MOBILE HOMES

Consumers qualifying under this classification shall be billed under rate schedule 1. Available to all residents for all uses in the home or on the farm including trailers mobile homes, schools, churches, community halls and non-profit community welfare institutions, where the required total transformer capacity is 50 KVA or less, single phase or three phase where available at available voltages.

Applications to serve trailers and mobile homes are required to comply with the trailer and mobile home policy.

Applications for service other than residential shall be required to sign a five (5) year contract, to pay not less than the minimum bill for five years.

Applications for three phase service shall be required to sign a five (5) year contract to pay not less than the computed minimum bill for five (5) years.

29. COMMERCIAL, SMALL POWER, SINGLE AND THREE PHASE SERVICE

A commercial consumer will be any business, place of trade, place for the use of the general public, private club, and advertising signs. If more than 50 KVA of transformer capacity is required, any school, church, community hall and small non-profit community welfare institution shall be included.

Consumers qualifying under this classification shall be billed under one of the following schedules.
