RULES AND REGULATIONS

E. CLASSIFICATION

27. PURPOSE OF CLASSIFICATION

Classification is a means for treating without discrimination all members having similiar characteristics in their use of service.

T 28. RESIDENTIAL, FARM, NON-FARM, TRAILER AND MOBILE HOMES

Consumers qualifying under this classification shall be billed under rate schedule 1. Available to all residents for all uses in the home or on the farm including trailers mobile homes, schools, churches, community halls and non-profit community welfare institutions, where the required total transformer capacity is 50 KVA or less, single phase or three phase where available at available voltages.

Applications to serve trailers and mobile homes are required to comply with the trailer and mobile home policy.

Applications for service other than residential shall be required to sign a five (5) year contract, to pay not less than the minimum bill for five years.

Applications for three phase service shall be required to sign a five (5) year contract to pay not less than the computed minimum bill for five (5) years.

T 29. COMMERCIAL, SMALL POWER, SINGLE AND THREE PHASE SERVICE

A commercial consumer will be any business, place of trade, place for the use of the general public, private club, and advertising signs. If more than 50 KVA of transformer capacity is required, any school, church, community hall and small non-profit community welfare institution shall be included.

Consumers qualifying under this classification shall be billed under one of the following schedules:
