RULES AND REGULATIONS

A. GENERAL

(N) The following rates, rules and regulations makes reference to sections of some of Kentucky Administrative Regulations (KAR) and Kentucky Revised Statutes (KRS).

The entire Kentucky Administrative Regulations (KAR) and Kentucky Revised Statutes (KRS) must be examined as well as the material contained in the Cooperative's rates, rules and regulations.

Nolin RECC is subject to all of the Kentucky Administrative Regulations (KAR) and Kentucky Revised Statutes (KRS) not just the sections listed in the tariffs, rates, rules and regulations.

1. SCOPE

This schedule of Rules and Regulations is a part of all contracts for receiving electric service from the Cooperative and applies to all service received from the Cooperative whether the service received is based upon a contract, agreement, signed application, or otherwise. No employee or individual director of the Cooperative is permitted to make an exception to Rates or Rules and Regulations. Rates and service information can be obtained from the Cooperative's office.

2. REVISIONS

These Rules and Regulations may be revised, amended, supplemented, or otherwise changed from time to time without notice. Such changes when effective shall have the same force as the present Rules and Regulations. The members shall be informed of any changes as soon as possible after adoption by the Board of Directors through the Cooperative's monthly newsletter.

3. CONSUMER'S RESPONSIBILITY FOR COOPERATIVE'S PROPERTY

All meters, service connections and other equipment furnished by the Cooperative shall be and remain, the property of the Cooperative. The member shall exercise proper care to protect the property of the Cooperative on its premises and in the event of loss or damage to the Cooperative's property arising from neglect of member to care for same, the cost of necessary repairs or replacement shall be paid by the member.

RULES AND REGULATIONS

4. CONTINUITY OF SERVICE

The Cooperative shall use reasonable diligence to provide a constant and uninterrupted supply of electric power and energy, but if such supply shall fail or be interrupted or become defective through act of God, or the public enemy, or by accident, strikes, labor troubles, or any action of the elements, or inability to secure rights-of-way or other permits needed, or for any other cause beyond the reasonable control of the Cooperative, the Cooperative shall not be liable therefor.

5. RELOCATION OF LINES BY REQUEST OF MEMBERS

The Cooperative's established lines will not be relocated unless the expense for moving and relocating is paid by the member, except in instances where it would be to the advantage of Cooperative to make such relocation.

SERVICES PERFORMED FOR MEMBERS

The Cooperative's personnel is prohibited from making repairs or performing services to the members equipment or property except in cases of emergency or to protect the public or member's person or property. When such emergency services are performed, the member shall be charged for such service at the rate of time and material.

B. SERVICE PROCEDURES

7. APPLICATION FOR SERVICE

Each prospective member desiring electric service will be required to sign the Cooperative's form, "Application for Membership and for Electric Service," before service is supplied by the Cooperative and provide the Cooperative with necessary easements or right-of-way permits.

12. RECONNECTION CHARGE

The Cooperative will make no charge for connecting service to the member's premises for the initial connection of service. When service has been terminated and the Cooperative is requested to reconnect service to the same member at the same location a ten (\$10.00) dollar reconnection fee will be charged. Reconnect charge will be due and payable at the Cooperative's office upon notice of said charge prior to connection. No reconnection shall be made after the regular working hours unless in the judgment of the management there exists circumstances that will justify the additional expense. The reconnection charge after regular working hours shall be twenty-five (\$25.00) dollars.

13. RESALE OF POWER BY MEMBERS

Electric service used on the premises of the member shall be supplied by the Cooperative and the member shall not directly or indirectly sell, sublet, or otherwise dispose of the electric service or any part thereof, except as may be provided under a co-generation contract between the member and the Cooperative.

14. SERVICE CHARGE

The Cooperative will make no charge for service calls to a member's premises when the fault and repairs are made to equipment owned by the Cooperative. A service charge of ten (\$10.00) dollars will be made to the members account when the fault is on the members owned equipment. Said charges are due and payable upon notice of such charge. The service charge after regular working hours shall be twenty-five (\$25.00) dollars.

16. SERVICE CHARGE FOR TEMPORARY SERVICE

1. No charges will be made to furnish temporary single phase service to permanent dwellings and businesses during construction, providing that the applicant meets all other requirements under the rules and regulations.
2. Applicants requiring temporary service which will not be permanently served will be required to pay all costs of construction and removal incidental to supplying electric service.
3. In addition to paragraph 2, a payment will be required to cover estimated consumption of electricity. This amount shall be adjusted to actual usage, by refund or additional billing when removed.
4. Both fees shall be paid in advance.
5. This rule applies to fairs, carnivals, circuses, construction sites and any other location of a strictly temporary nature.

17. CONSUMERS WIRING

(T) All consumers wiring shall comply with the rules and regulations of the National Electric Code, Public Service Commission, the Cooperative, State and Local Codes.

(T) 18. ELECTRICAL REQUIREMENTS AND INSPECTIONS FOR ALL CONSUMERS

1. All commercial, industrial, farm and residential wiring installations must meet the standards of the National Electric Code NFPA 70 and meet other standards and inspections as provided under the Kentucky Department of Housing, Buildings and Construction and Local Codes as provided in 815 KAR 10:020, KRS 227.80, KRS 198B, 815 KAR 7:010, and 815 KAR 7:020.

21. FAILURE OF METER TO REGISTER

(T) In the event a member's meter should fail to register, the member shall be billed from the date of such failure with an estimated bill based on the level of consumption that occurred twelve (12) months earlier.

22. METER READING

Each member receiving service will be required to supply the Cooperative with reading of each meter on the form as furnished by the Cooperative on such date designated by the Cooperative. Upon failure by the member to supply the Cooperative with such meter reading for three (3) consecutive meter reading dates the Cooperative will act by having its representative read the member's meter, and a service charge of ten (\$10.00) dollars will be made for the extra service rendered. The service charge will be made to the member's account and will be due and payable upon notice of said charge. In the event that an error in meter reading should be made or member fails to send in meter reading card, the member shall pay for that month either the minimum bill for the service which he receives, or if he should be a larger user, he shall pay an amount approximately equal to his average bill, then the following month his bill shall be computed on the regular schedule prorated for two months and the amount paid shall be credited.

Should the statement not be paid as above the Cooperative may at any time thereafter on a ten (10) days written notice to the member discontinue the electric service provided such service shall not be discontinued prior to twenty-seven (27) days after mailing date of the original bill.

Should the Cooperatives servicemen call at the members premises or other locations for the purpose of collecting the delinquent account a service charge of ten (\$10.00) dollars is due and payable at the time such delinquent account is collected. If service is disconnected for non-payment, an additional charge of ten (\$10.00) dollars will be made for reconnecting service, due and payable at time of such reconnection.

24. BILLING ADJUSTED TO STANDARD PERIODS

In case of the first billing of a new account and the final billing of an account where the period covered by the billing is a fraction of a month, the charges for energy and rural lights used will be prorated for proportional part of the billing period when computing such bill.

25. TAXES

The Cooperative shall add to the electric bills of all applicable members the Kentucky Sales and Use Tax, any Utility Gross Receipt License Tax for Schools, any other tax that may be imposed on the Cooperative that is measured or determined by sales or receipts, or any Franchise Tax enacted by an ordinance of a Municipality.

26. UNPAID CHECKS FROM CONSUMERS

When a check received in payment of a consumers account is returned unpaid by the bank for any reason, the Cooperative will notify such consumer by form letter, notice of returned check stating the amount of check and reason for its return. Returned checks will then be considered the same as a delinquent account, and if payment in full is not received for check within ten (10) business days after notice, service to the consumer will be discontinued, provided such service

Ten (\$10.00) dollars service charge shall be added to all returned unhonored checks. The Cooperative shall have the right to refuse to accept checks in payment of an account from any consumer that has demonstrated poor credit risk by having two or more checks returned unpaid from a bank for any reason. The Cooperative shall not accept a check to pay for and redeem another check or accept a two party check for cash of payment of an account.

27. VARIABLE BUDGET BILLING PAYMENT PLAN

OBJECTIVE: To establish a procedure whereby members may pay their electric bill in monthly installments.

AVAILABILITY: Available to all Nolin Rural Electric Cooperative residential members who have received service at their present location for ONE YEAR.

TERMS OF VARIABLE BUDGET BILLING:

1. A member who qualifies may be placed on or removed from variable budget billing in any month of the year.
2. This is a continuous plan and there will be no account settlement (catch up) month. Variable budget accounts shall be reviewed when the account is removed from the budget plan or has been disconnected. All accumulated debits shall become due and payable at this time, or any credits accumulated shall be refunded or credited to the consumer.
3. Members shall accurately read the meter on the first day of each month.
4. Electric bills shall be paid and the reading submitted by the 10th of each month.
5. The Cooperative may cancel the variable budget plan for estimated readings, delinquent accounts and non-payments.

E. CLASSIFICATION

28. PURPOSE OF CLASSIFICATION

Classification is a means for treating without discrimination all members having similar characteristics in their use of service.

29. RESIDENTIAL, FARM, NON-FARM, TRAILER AND MOBILE HOMES

Consumers qualifying under this classification shall be billed under Rate Schedule 1. Available to all residents for all uses in the home or on the farm including trailers, mobile homes, schools, churches, community halls and non-profit community welfare institutions, at single phase service and three phase service where available at available voltages.

Applications to serve trailers and mobile homes are required to comply with the trailer and mobile home policy, Rule No. 33.

Applications for service to barns, silos, water and irrigation pumps or to other buildings not classified as residential or commercial are required to comply with Rule No. 34.
