RATE
PER UNIT1. Meter Reading.

It was recognized early in the rural electric cooperative movement that in order to supply electric service to the sparsely populated rural areas that the self reading of meters by member consumers would be a major contributing factor towards supplying such service at the lowest possible rates. Therefore, most cooperatives adopted this procedure and made it a part of their rules and regulations. The meter reading rules of the Owen County Rural Electric Cooperative Corporation are as follows:

- (a) On the 12th day of each month a consumer shall read his meter, mark the reading on a card previously supplied him by the cooperative, and mail the card to the cooperative office.
- (b) If a consumer's meter reading card fails to reach the cooperative's office on or before the 16th day of the month, the consumer shall be notified and requested to read his meter and mark and mail his card promptly on the 12th of the month to avoid meter reading charge.
- (c) If a consumer's meter reading card fails to reach the cooperative's office on or before the 16th day of the month, for two consecutive months, the cooperative shall read the consumer's meter on the third meter reading date and make a charge of \$2.00 for this service.

2. Billing, Accounting and Collecting.

- (a) The cooperative's monthly billing period is from the 12th of one month to the 12th of the next month.
- (b) On or about the 26th day of each month the cooperative renders an electric service statement to each consumer billed monthly for service to the 12th day of the same month.

RULES AND REGULATIONS

BILLING, ACCOUNTING AND COLLECTING

The Cooperative's monthly billing period is from the 12th of one month to the 12th of the next month.

On or about the 7th or 8th of each month the Cooperative renders an electric service statement to each consumer billed monthly for service to the 12th day of the previous month.

The consumer shall pay the net amount of the electric service statement by the 15th day of the month.

The second notice will be mailed to our delinquent accounts on or about the twentieth of the month. Although our minimum bill is \$1.50 per month, the account will have to exceed Five Dollars before it will be classified as a delinquent account.

If not paid by the 25th, it will be turned over to our service department for collection and when our service department is required to make a call to the member's premises for the purpose of collecting the delinquent bill, there will be a \$3.25 collection fee added, as stated in the second notice.

Should our member be disconnected for the nonpayment of bill and they request to be reconnected after regular working hours, which costs the Coop overtime, there will be a special charge put on in the amount of Ten Dollars in addition to the \$3.25 service charge for making the first trip.
