RULES AND REGULATIONS

1. METER READING

It was recognized early in the rural electric cooperative movement that in order to supply electric service to the sparsely populated rural areas that the self-reading of meters by member consumers would be a major contributing factor towards supplying such service at the lowest possible rates. Therefore, the meter reading rules of the Owen County Rural Electric Cooperative Corporation are as follows:

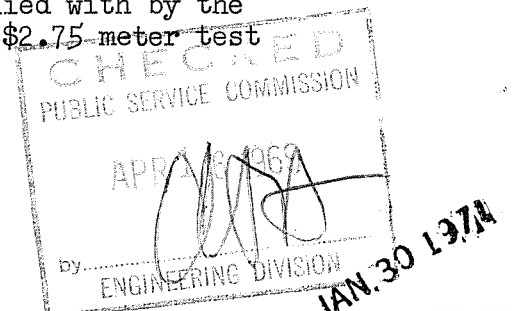

- (a) Consumer will mark the reading on the combination bill and meter reading card which he receives on or about the 10th of each month. The consumer will mail the card, along with their payment, by the 15th of each month.
- (b) If a consumer's meter reading card fails to reach the Cooperative's office on or before the 20th day of the month, for three consecutive months, the Cooperative shall read the consumer's meter on the fourth meter reading date and make a charge of \$2.25 for this service.

2. BILLING PROCEDURE

This is on file with the Public Service Commission now.

3. METER TESTING

- (a) Each and every watt-hour meter installed by the Cooperative on consumer's premises shall be tested at least once every eight (8) years without charge to the consumer.
- (b) Any other request for a meter test shall be complied with by the Cooperative only if the consumer agrees to pay a \$2.75 meter test deposit.

RULES AND REGULATIONS

- (c) If a meter tests more than 2% fast, the \$2.75 deposit shall be returned to the consumer and a credit, based on the percentage of error times the KWH's billed the consumer on his previous three (3) month's statements times the applicable rate, shall be issued by the Cooperative to the consumer.

4. RECONNECTION CHARGE

- (a) The Cooperative will make only one connect without charge for one account.
- (b) After the original "no charge" connect is made, all subsequent reconnects (regardless of the name of the occupant) of any account shall carry a \$5.00 reconnection charge.
- (c) Any applicant requesting a connection of service of an account previously occupied by the applicant or someone else, shall be advised at the time of his request that he must pay the five dollars (\$5.00) reconnection charge.
- (d) If the applicant makes the above request in person to the office or to a serviceman, the employee must collect the reconnection charge immediately.
- (e) If the reconnection request is made by phone, the applicant should be advised to be at the account location and pay the charge when the maintenance man makes the connect or to come to the office and pay the reconnection charge.
- (f) If the request is made by mail, the applicant must be advised by mail, immediately, that the reconnection charge will be collected by the serviceman when the reconnection is made or that he may come to the office and pay this charge. (Form letter to be made for this.)

RULES AND REGULATIONS

7. MINIMUM MONTHLY CHARGE

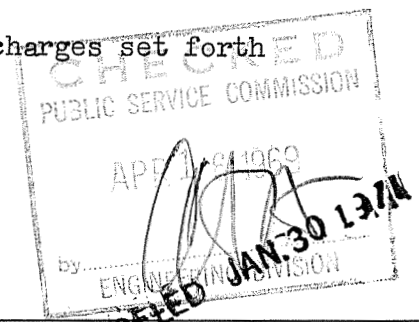

The minimum monthly charge under the above rate shall be \$1.50 when 5 KVA or less of transformer capacity is required. For consumers requiring more than 5 KVA of transformer capacity, the minimum monthly charge shall be increased by 75¢ for each additional KVA or fraction thereof required. When it is necessary to extend or reinforce existing distribution facilities, the minimum monthly charge may be increased to assure adequate compensation to the added facilities. When the minimum charge is increased in accordance with the terms, additional energy and demand shall be included in accordance with the foregoing schedule.

8. TERMS

None.

9. SEASONAL LOADS - Camps Class 5 - Barns Class 7

- (a) Effective January 1, 1969, all seasonal loads classified as barns and camps will not be disconnected each year.
- (b) Camps and barns will be subject to the Rate 1 Schedule with no prepayment required. The consumer will be required to read his own meter although classified as a camp or barn. Consumer will be subject to any tariff charges for failure to read their own meter.
- (c) If consumer demands to be disconnected, he will be subject to all reconnection charges. The amounts are set forth under heading "Reconnection Charges".
- (d) Barns and camps will be subject to all delinquent charges set forth in the billing and collection procedure.
