RULES AND REGULATIONS

5. AVAILABILITY OF SERVICE TO DELINQUENT MEMBERS

The Cooperative shall deny service to any applicant who is a member of a delinquent household when the prior customer continues to reside in the household and uses the service. If the application is accepted before the facts are established, the membership of the applicant will be cancelled and the deposit, if any, applied to the delinquent member's account.

When a consumer's service is disconnected at one location and then connected at another location, the balance due at the original location may be transferred to the account of the new location. The service to the new location may then be disconnected if the customer becomes delinquent in his payment of the original balance.

6. RIGHT TO ACCESS

Each member shall, at the time of application, provide the Cooperative with permits or shall sign right-of-way easements furnished by said Cooperative. The Cooperative shall at all reasonable hours have access to meters, service connections, and other property owned by the Cooperative and located on the consumer's premises for purpose of placing, locating, building, construction, operating, replacing, rebuilding, relocating, repairing, improving, enlarging, extending, and maintaining on, over, or under such lands and premises, or removing therefrom its electrical distribution system, new or existing line, wires, poles, anchors, and other necessary or pertinent parts.

Any employee of the Cooperative whose duties require her to enter the customer's premises shall wear distinguishing uniform or insignia identifying him/her as an employee of the Cooperative, or carry on his/her person a badge or other identification which will identify him as an employee of the Cooperative, the same to be shown upon request.

17. WINTER HARDSHIP RECONNECTION

The Cooperative shall reconnect service to a residential consumer who has been previously disconnected for nonpayment of bills prior to application for reconnect, pursuant to 807 KAR 5:006, Section 11 (2) (a) and who applies for such reconnection of service during the months from November thru March when the consumer or his or her agent:

1. Presents a certification of need from the department for Social Insurance including a certification that a referral for weatherization services has been made; and
2. Pays 1/3 of his or her outstanding bill or \$200.00 whichever is less; and
3. Agrees to a repayment schedule which would permit the consumer to become current in the payments of his or her electric bill as soon as possible but no later than October 15 provided, however, that if, at the time of application for reconnection the consumer has an outstanding bill in excess of \$600.00 and agrees to a repayment plan that would pay current charges and makes a good faith reduction in the outstanding bill consistent with his or her ability to pay, then such plan shall be accepted. In addition to payment of current charges, repayment schedule shall provide an option to the customer to select either one (1) payment of arrearages per month or more than one (1) payment of arrearages per month.

18. LOCATION OF METERS

Meters shall be easily accessible for reading, testing and making necessary adjustments and repairs and shall be located at a site designated by Cooperative personnel.

L. For all other developments that do not meet the conditions set forth in these rules above, underground distribution will be installed provided an advance to the Cooperative is made in an amount equal to the difference between the Company's estimated cost of underground facilities and overhead facilities, which it would otherwise provide.

M. In unusual circumstances, when the application of these rules appear impractical or unjust to either party, or discriminatory to other consumers, the Cooperative or applicant shall refer the matter to the Commission for special ruling or for the approval of special conditions which may be mutually agreed upon, prior to commencing of construction.

41. ELECTRIC SERVICE TO CAMPS, PUMPS, BARNES, RECREATIONAL SITES, ETC.

Customers requiring service to pumps, barns, camps, recreational sites, etc. and other low usage services within 150 feet of existing required voltage will be served similar to permanent dwellings. Those over 150 feet will be required to deposit with the Cooperative an amount to cover the cost of labor, materials, and overhead for construction of the electric facilities. The deposit shall be made prior to the construction of the electric facilities. Such deposit shall be returned to the consumer based
