COMMUNITY ASSISTANCE RESOURCES
FOR ENERGY SAVINGS PROGRAM

PURPOSE

South Kentucky Rural Electric Cooperative Corporation's Community Assistance Resources for Energy Savings ("CARES") program provides an incentive to enhance the weatherization and energy efficiency services provided to its retail members ("end-use member") by the Kentucky Community Action Agency ("CAA") network of not-for-profit community action agencies or by Kentucky's non-profit affordable housing organization ("AHO"). On behalf of the end-use member, South Kentucky Rural Electric will pass along an East Kentucky Power Cooperative, Inc. ("EKPC")-provided incentive to the CAA or AHO. South Kentucky's program has two primary objectives. First, the EKPC-provided incentive, passed along by South Kentucky to the CAA or AHO, will enable the CAA or AHO to accomplish additional energy efficiency improvements in each home. Second, this incentive will assist the CAA or AHO in weatherizing more homes.
