RULES AND REGULATIONS

A. General

1. SCOPE

This schedule of rules and regulations is a part of all contracts for electric service received from South Kentucky Rural Electric Cooperative Corporation, hereinafter referred to as the Cooperative and applies to all service received whether the service received is based upon a contract, agreement, signed application or otherwise. No employee or director of the Cooperative is permitted to make an exception to rates or rules and regulations as are on file at the Cooperative's office. All rules and regulations shall be in effect after adoption by the Board of Directors and approved by the Public Service Commission.

2. REVISIONS

These Rules and Regulations may be revised, amended, supplemented, or otherwise changed from time to time by the Board of Directors. Such changes, upon approval by the Public Service Commission, shall have the same force as the present rules and regulations. The members shall be informed of any changes as soon as possible, through the Cooperative's monthly news letter.

3. CONSUMER'S RESPONSIBILITY FOR COOPERATIVE'S PROPERTY

All meters, service connections, and other equipment furnished by the Cooperative shall be, and remain, the property of the Cooperative. The member shall exercise proper care to protect the property of the Cooperative on its premises and in the event of loss or damage to the Cooperative's property arising from neglect of member to care for same, the cost of necessary repairs or replacement shall be paid by the member.

4. MAINTENANCE OR CONTINUITY OF SERVICE

The Cooperative shall make all reasonable efforts to prevent interruptions of service and when such interruptions occur shall endeavor to reestablish service with the shortest possible delay, but if such supply shall fail or be interrupted or become defective through act of God, or the public enemy, or by accident, strikes, labor troubles, or by action of the elements, or inability to secure right-of-way or other permits needed, or for any other cause beyond the reasonable control of the

5. RELOCATION OF LINES BY REQUEST OF MEMBERS

The Cooperative's established lines will not be relocated unless the expense for moving and relocating is paid by the member, except in instances where it would be to the advantage of the Cooperative to make such relocation.

6. SERVICES PERFORMED FOR MEMBERS

The Cooperative's personnel is prohibited from making repairs or performing services to the members' equipment or property except in cases of emergency or to protect the public or members' person or property. When such emergency services are performed, the member shall be charged for the actual cost of labor and material for such service.

B. SERVICE PROCEDURES

7. APPLICATION FOR SERVICE

Each prospective member desiring electric service will be required to sign the Cooperative's form "Application for Membership and for Electric Service" before service is supplied by the Cooperative and provide the Cooperative with necessary easements or right-of-way permits.

10. MEMBER'S DISCONTINUANCE OF SERVICE

Any member desiring service discontinued or changed from one location to another shall give the Cooperative three (3) days' notice in person or in writing providing such notice does not violate contractual obligations.

11. CONNECT AND RECONNECT CHARGES

The Cooperative will make no charge for connecting service to the new member's installation of service provided the connection is made during regular working hours.

I T The Cooperative may make a service charge of \$10.00 (Ten Dollars) for re-connecting the service of any member whose service has been connected one or more times within the preceding twelve months. The service charge shall be an additional \$30.00 (Thirty Dollars) if made after regular working hours. Any service charge will be due and payable at the time of connection or upon notice of said charge.

12. RESALE OF POWER BY MEMBERS

All purchased electric service used on the premises of the member shall be supplied exclusively by the Cooperative, and the member shall not directly or indirectly sell, sublet, or otherwise dispose of the electric service or any part thereof.

13. SPECIAL CHARGES

I T The Cooperative will make a charge of \$10.00 (Ten Dollars) for each trip made during regular working hours or \$30.00 (Thirty Dollars) for each trip made after or before regular working hours - any service trip requested by a member to

14. SERVICE CHARGES FOR TEMPORARY SERVICE

Consumers requiring temporary service may be required to pay all costs of connecting, and disconnecting incidental to the supplying and removing of service. In addition to this, a deposit will be required to cover estimated consumption of electricity. Both fees will be paid in advance. Any balance remaining at the end of temporary service will be refunded. (This rule applies to carnivals, fairs, voting booths.)

C. METERS

15. METER TESTS

All new meters shall be checked for accuracy before installation. The Cooperative will, at its own expense, make periodical tests and inspections of its meters in order to maintain a high standard of accuracy and to conform with the regulations of the Public Service Commission. The Cooperative will make additional tests of meters at the request of the member, provided the member does not request such test more frequently than once in twelve (12) months and upon payment of a test fee of \$10.00 (Ten Dollars) paid in advance. When the test made at the member's request shows that the meter is accurate within 2% slow or fast, no adjustment will be made to the member's bill and the fee paid will be forfeited to cover cost of requested test. When the test shows the meter to be in excess of 2% fast or slow, an adjustment shall be made to the member's bill by recalculating the monthly bills for that period of time that it is known that the meter has been fast or slow; however, if that period of time is not known then a period equal to one-half (1/2) of the time lapsed since the last previous test, but in no case shall this period exceed twelve (12) months except that if time for periodic test has over-run then the time of over-run shall be added to the amount unless it can be shown that the failure to make the periodic test was due to causes be-

In the event a member's meter should fail to register, the member shall be billed from the date of such failure at the average consumption of the member based on the three (3) months period immediately preceding the failure or the same billing period the past year.

17. DISCONTINUANCE OF SERVICE BY COOPERATIVE

A. The Cooperative may shall refuse or discontinue to serve a member under the following conditions:

1. For non-compliance with its rules and regulations.
2. When a dangerous condition is found to exist on the member's premises.
3. When a member refuses or neglects to provide reasonable access to the premises for the purpose of installation, operation, meter reading, maintenance or removal of Cooperative property.
4. For non-payment of any indebtedness due the Cooperative.
5. For failure to comply with the provisions of the wiring codes.
6. For fraudulent or illegal use of service. The Cooperative will not restore service until the customer has complied with all rules of the Cooperative and regulations of the Public Service Commission and the Cooperative has been reimbursed for the estimated amount of the service rendered including the initial disconnection and the cost to the Cooperative incurred by reason of the fraudulent use. The discontinuance of service to a member for any cause stated in this rule does not release the member of his obligations to all debts due.

D. CONSUMER EQUIPMENT

18. POINT OF DELIVERY

The point of delivery is the point as designated by the Cooperative on member's premises where current is to be delivered to building or premises namely the meter. All wiring and equipment beyond this point of delivery shall be supplied and maintained by the member. The member will, however, notify the Cooperative of any proposed changes in his equipment or wiring which will materially increase or decrease his load so the Cooperative may check its equipment to make certain it will accomodate the consumer's load requirements.

19. MEMBER'S WIRING

All electrical wiring on the member's premises shall conform to all applicable codes and rules and regulations; namely,

1. The National Electrical Code.
2. Any state, county or municipal code where and when applicable.
3. The Uniform Wiring Code, so long as it is as strict or more strict in its requirements than the National Electrical Code.

When any of the employees of the Cooperative have notice or observe that electric wiring to which electric energy is served by the Cooperative, is in a condition so as to be dangerous to persons or property, such employee shall immediately notify the Manager of the Cooperative of such dangerous condition. If the Manager upon investigation, determines that such dangerous condition exists, he may at once have the service to the building where such condition exists discontinued and service shall not be restored to said premises until the dangerous wiring condition is corrected.

E. ELECTRIC BILLS

21. BILLING

Members will receive statement for electric service monthly on a date to be determined by the Board of Directors for service rendered for a thirty-day period ending the same day of the preceding month. All statements are due and payable upon receipt and shall be paid at the office of the Cooperative within Thirty (30) days from date of service as shown on bill. Failure to receive electrical statement will not release the member from payment obligation. Should the statement not be paid as above, the Cooperative may at any time thereafter on a five (5) days' written notice to the member discontinue service provided such service shall not be discontinued before Twenty (20) days after the mailing date of the original bill.

Budget billing may be offered at the option of the Cooperative.

I Each member receiving service will be required to supply the Cooperative with
T the reading of each meter on the form as furnished by the Cooperative on the
N date as designated by the Cooperative. If any member shall fail to read the
meter and supply such reading to the Cooperative Office by the date designated,
for three (3) consecutive months, such meter may be read by a representative
of the Cooperative and the member shall pay a service charge of \$10.00 (Ten
Dollars) to cover cost of trip by such representative. In the event that an
error in meter reading should be made or member fails to send in meter read-
ing card the member shall pay for that month either the minimum bill for the
service which he receives, or an amount approximately equal to his last bill.
Then the following month's bill shall be computed on the regular schedule pro-
rated for two months and the amount paid shall be credited.

24. UNPAID CHECKS FROM CONSUMERS

T When a check received in payment of a consumer's account is returned unpaid
I by the bank for any reason, the Cooperative will notify such consumer by letter
N stating the amount of the check and the reason for its return. Returned checks
will be considered same as a delinquent account, and, if payment in full is not
received for check within five (5) days after written notice, service to such con-
sumer will be discontinued. However, if a returned check was originally paid
on a delinquent account, service may be discontinued upon 48 hours written
notice.

26. DEPOSITS

- 1. A deposit approximately equal to two times the average monthly bill may be required of any member before service is supplied if the Cooperative deems it necessary to insure payment for the service it will render. The Cooperative may, at its own option, return the deposit after six (6) months. Upon termination of service, deposit may be applied against unpaid bills of the member, and, if any balance remains after such application is made, said balance to be refunded to the member.
- 2. Interest will accrue at the rate of 6% per annum on any deposit. Upon termination of service any accumulated interest will be applied against unpaid bills of the member, and, if any balance remains after such application is made, said balance will be paid to the member.
- 3. The Cooperative will issue to every member from whom a deposit is received a certificate of deposit, showing the name of the customer, location of initial premises occupied, date and amount of the deposit.

27. PURPOSE OF CLASSIFICATION

Classification is a means for treating without discrimination, all members having similar characteristics in their use of service. Special classification will be avoided unless surrounding conditions are so unusual that to apply one of the existing rates or rules would result in serious injustice to either the particular member or to all other members.

After the end of the refund period no refund will be required to be made.

3. SUBDIVISIONS -- A proposed real estate subdivision may be required to pay the entire cost of the extension. Refunds for this advance may commence in 12 (twelve) months. The basis for refund shall be an allowance of 1,000 feet of extension at the same rate the advance was made for each customer who has been connected in the 12 (twelve) month period. Any advance balance remaining after a 10 year refund period shall be forfeited.

4. Nothing contained herein shall be construed as to prohibit this utility from making at its expense greater extensions than herein prescribed, should its judgment so dictate, provided like free extensions are made to other customers under similar conditions.

B. DISTRIBUTION LINE EXTENSIONS TO MOBILE HOMES

1. All extensions of up to 150 feet from the nearest facility shall be made without charge.

2. Extensions greater than 150 feet from the nearest facility and up to 300 feet shall be made provided the customer shall pay the utility a "customer advance for construction" of \$50.00 (Fifty)
