RULES AND REGULATIONS

=====

LINE EXTENSIONS FOR NEW SERVICES

1. Distribution line extensions of less than 1,000 feet shall be made by the Cooperative to its existing distribution line without charge for a prospective customer who shall apply for and contract to use the service for one (1) year or more and provides guarantee for such service.

2. Other Extensions:

(a) When an extension of the Cooperatives distribution line to serve an applicant or group of applicants amounts to more than 1000 feet per customer, the cooperative shall require the total cost of the excessive footage over 1000 feet per customer to be deposited with the cooperative by the applicant or applicants. The cost per foot for single phase extensions shall be \$2.93.

(b) Each customer receiving service under such extensions will be reimbursed under the following plan: Each year for a period of not less than ten (10) years, which for the purpose of this rule shall be the refund period, the cooperative shall refund to the customer or customers who paid for the excessive footage the cost of 1000 feet of the extension in place for each additional customer connected during the year whose service line is directly connected to the extension installed and not to extensions or laterals therefrom, but in no case shall the total amount refunded exceed the amount paid the cooperative. At the end of the refund period no refund will be required to be made.

3. Subdivision

An applicant desiring an extension to a proposed real estate subdivision may be required to pay the entire cost of the extension. Each year for a period of not less than ten (10) years from the date the extension is completed the cooperative shall refund to the applicant who paid for the extension a sum equivalent to the cost of 1000 feet of the extension installed for each additional customer connected during the year, but in no case shall the total amount refunded exceed the amount paid to the cooperative. After the end of the refund period no refund will be required to be made.
