RULES AND REGULATIONS

1. CONDITIONS FOR SERVICE

The terms and conditions as stated in KAR 5:026 are referenced hereto and are incorporated in this filing.

2. In addition to KAR 5:026, the following conditions apply to each specified circumstance and are a part of this filing:

a. Nature of Company's Business

(1) Equitable Production Company ("EPC") shall not be liable to the Customer for discontinuance of service resulting from the plugging and abandonment or change in the use of any of its wells. It is understood that the line from which EPC supplies gas is not permanent and that service to the Customer by EPC may cease, either temporarily or permanently, if EPC in its sole discretion discontinues transportation of gas through that line. In such cases, either party hereto may cancel this arrangement on fifteen (15) days' written notice without prejudice to the right of EPC to continue to supply gas to other customers; and EPC shall not be liable for any deficiency in the supply caused by the use of pumping stations, breakage of lines, or other causes, or for any claim for damage on account of any matters set forth in this paragraph.

(2) Further, EPC may be required to limit volumes to domestic customers and is under no obligation to maintain full and complete service due to contractual obligations with purchasers, maintenance of lines, etc.

e. Gas Measurement

The measurement of gas by meter shall be conclusive upon the Customer and EPC, except when such meter ceases to register, proves to be defective, or is found by test not to be accurate within the limitations specified in the rules of the Commission or a successor government authority. In such cases, the consumption for the period in question shall be estimated. EPC will, upon written application of Customer, have the meter removed, sealed and tested, and a certificate of the test given to the Customer. If the meter so tested shall be found to be accurate within the limits specified in the rules of the Commission, the Customer shall, upon presentation of a bill pay EPC for such test according to the schedule of charges for testing meters formulated by the said Commission or a successor governmental authority.

f. Payment of Bills of Other Default

(1) The Customer shall pay the installation charge and deposit referred to above and, thereafter, pay EPC for all gas delivered at rates approved by the Commission. EPC shall render statements to the Customer at regular monthly intervals for gas delivered.

(2) To avoid delinquent classification, Customer shall remit full and complete payment twenty (20) days following receipt of statement. Customer may be terminated for non-payment after ten (10) days with notice but not before twenty-seven (27) days after the mailing of the original bill.

g. General Provisions

(1) In addition, EPC shall have the right to enter upon the premises of the Customer to read, repair, change or remove the meter or inspect regulators and shall also have the right to reclaim any of the property of EPC which may be on the premises.
