

Western Kentucky Gas Company

RE: Large Volume Natural Gas Service Agreement Between
[redacted] and Western Kentucky Gas
Company, a division of Atmos Energy Corporation
(the "Agreement")

[redacted] and Western Kentucky Gas Company, a division of Atmos Energy Corporation ("Western") entered into the above-referenced Agreement on [redacted] wherein Western agreed to supply natural gas service to [redacted]. The parties have further agreed that in the event Western's supplier under the Agreement implements a gas inventory charge, [redacted] shall have a one time option to revise the tariff selected under the Agreement. [redacted] shall have the option to change from Western's Transportation Rate T-2 to its Carriage Rate T-3 concurrently with the implementation of the gas inventory charge. [redacted] shall have 60 days from the date it receives written notification from Western that the gas inventory charge will be implemented, to advise Western in writing of its exercise of the option to revise the above-described tariff. Both parties understand and agree that the terms of this letter agreement are subject to the approval of the Kentucky Public Service Commission, if required. All other provisions of the Agreement are hereby confirmed by the parties to be and remain in full force and effect.

By signing below, [redacted] and Western acknowledge their agreement and understanding of the terms and conditions of this letter.
