**PURCHASED GAS COST ADJUSTMENT CLAUSE**

The Purchased Gas Adjustment shall have two components. The first shall be the PIPELINE REPLACEMENT RIDER MONTHLY CHARGE and the second is GAS COST RECOVERY RATE.

**Pipeline Replacement Monthly Charge:**

Pursuant to the Kentucky Public Service Commission's Final Order in Case No. 2017-00168, all customers receiving service from Burkesville Gas Company shall be assessed a monthly charge, which is a pass-through charge from its gas supplier, Apache Gas Transmission Company. The pass-through charge is a result of Apache Gas' Commission approved Pipeline Replacement Program ("PRP"). This pass-through charge is in addition to the existing Customer Charge component of the applicable rate schedules. Apache Gas Transmission Company will file its PRP applications with the Kentucky Public Service Commission no later than April 30 each year.

The PRP monthly charge will be updated annually in order to accurately reflect the impact from pipeline replacements. Such adjustments to the monthly charge will become effective with meter readings on and after the first billing cycle of May each year, and will reflect allocation of the required increase based on the distribution approved by the Commission. In Case No. 2018-00106, The Commission approved a \$3.00 per month surcharge to residential customers, a \$3.50 surcharge to non-residential customers and a \$0.29 per Mcf surcharge on all usage. The PRP charges are to be collected over a 12 year period, however the monthly charge may change based on the annual filings. (T)

**Determination of Gas Cost Recovery Rate (GCR)**

Burkesville Gas Company, Inc. shall file a quarterly report with the Commission which shall contain an updated GCR and shall be filed at least thirty (30) days prior to the beginning of each calendar quarter. Burkesville Gas Company, Inc. may also shorten the notice period from thirty (30) days to a period of not less than twenty (20) days upon showing of good cause. In addition, Burkesville Gas Company, Inc. may prescribe a shorter time period in which a reduction in rates may be made. The GCR shall become effective for billing with the final meter readings of the first billing cycle of each calendar quarter.

PURCHASED GAS COST ADJUSTMENT CLAUSE (continued)

The Gas Cost Recovery Rate is comprised of:

1. The expected gas cost component (EGC) on a dollar-per-Mcf basis, which represents the average expected cost of purchased gas.
2. The Actual Cost Adjustment (ACA), on a dollar-per-Mcf basis, compensates for over-or under-collection of gas cost resulting from differences between expected gas cost and the actual cost of gas. For purposes of determining the GCR, the ACA for the application period shall equal the sum of the ACA for the reporting period and for the three (3) preceding calendar quarters.
3. The supplier refund adjustment (RA) on a dollar-per Mcf basis, which reflects the refunds received from suppliers during the reporting period plus interest at a rate equal to one-half of the percent below the average 90-day commercial paper rate for the twelve-month period. In the event of any large or unusual refunds, Burkesville Gas Company may apply to the Public Service Commission for the right to depart from the refund procedure herein set forth.

**Billing**

The gas cost recovery rate to be applied to bills of customers shall equal the sum of the following components:

$$\text{GCR} = \text{EGC} + \text{RA} + \text{ACA}$$

The GCR will be added to or subtracted from the tariff rates prescribed by the Commission Order on Burkesville Gas Company's latest general rate case and will be included in the tariff rates stated on each applicable rate sheet within this tariff.

PURCHASED GAS COST ADJUSTMENT CLAUSE (continued)

**Definitions**

For the purpose of this tariff:

- a. "Average Expected Cost" is the cost of purchased gas which results from the application of supplier rates currently in effect, or reasonably expected to be in effect during the calendar quarter, on purchased volumes for the most recently available twelve-month period, divided by the corresponding sales volume. In the event that line loss exceeds 5 percent, purchased volumes for the twelve-month period shall be calculated as: sales volumes/.95. Where the calculations require the use of volumes used during a given period, and those volumes did not exist for a particular source for the entire period, or the Company expects the volume to change substantially, Burkesville Gas Company may make appropriate adjustments to its calculations. Any adjustments of this type shall be described in the Quarterly Gas Cost Recovery Report.
- b. "GCR" means the quarterly updated gas cost recovery rate and is the sum of the expected gas cost component plus the supplier refund adjustment plus the actual cost adjustment i.e.,  $GCR = EGC + RA + ACA$
- c. "Calendar Quarters" means each of the four three-month periods of (1) April, May and June; (2) July, August and September; (3) October, November and December; (4) January, February and March
- d. "Reporting Period" means the three month accounting period that ended approximately sixty (60) days prior to the filing date of the updated gas cost recovery rates, i.e., the calendar quarters ended June 30, September 30, December 31 and March 31.

**Interim Gas Cost Adjustment Filings**

In addition to the regular quarterly Purchased Gas Cost Adjustment Clause filings, with showing of good cause, Burkesville Gas Company, Inc. may make application to the Public Service Commission for Interim Gas Cost Adjustments. The interim rate shall become effective for billing with the final meter readings of the first billing cycle of the interim month.

**BUDGET PAYMENT PLAN AGREEMENT**

This Agreement made in duplicate between Burkesville Gas Company, Inc., (the "Company") a Kentucky corporation with its principal office at Burkesville, Kentucky and \_\_\_\_\_, (the "Customer") located at \_\_\_\_\_.

WITNESSETH:

That in consideration of Consumer's request to make gas service payments under the Company's Budget Payment Plan, the Consumer shall pay the Company at a fixed amount each month in lieu of monthly billings and the fixed amount paid each month shall be payable in full each year upon receipt of the June billings. It is further agreed:

1. The Consumer agrees that if at any time the Rate under which the Company purchases gas service at wholesale is modified, the Company may make a corresponding modification in the rate for service hereunder and the budget payment amount shall be adjusted accordingly.
2. The Consumer agrees that if at any time the Rates and/or Terms and Conditions as set forth in the Company's Rate are adjusted or changed and said adjustments and/or changes are approved by the Kentucky Public Service Commission said adjustments and/or will become effective and supersede, cancel and replace rates and/or terms and conditions provided in existing rate prior to the effective date as set forth in the Kentucky Public Service Commission's Order approving the adjustments and/or changes.
3. The Consumer agrees that monthly budget payments are subject to change where a trend develops indicating the amount set up is insufficient to result in a reasonable balance due in the June billing period; at which time, the difference in the fixed amount and actual cost of gas service is payable in full.
4. It is agreed that Consumer shall make payment each month in the full amount of the Budget Payment as stated herein, regardless of any accumulated charges or credits for actual use. The accumulated charges or credits shall be adjusted on the June billing. Should the Consumer fail to make such Budget Payments by due date, service will be discontinued, and entire balance becomes due and payable before service is restored. The Consumer shall be ineligible for future billings under the Budget Payment Plan.
5. This agreement shall continue from year to year, unless terminated by either party giving to the other notice in writing, subject to the provisions stated in #4 above.

THEREUPON, it is agreed that \_\_\_\_\_ (Consumer) shall pay to Burkesville Gas Company, Inc., each month, beginning with \_\_\_\_\_ billing, for gas service in the amount of \$\_\_\_\_\_ under this Budget Billing Agreement, and shall pay in full annually the balance resulting from difference in actual usage and fixed amount paid each month in June billing.
