

SALES AGREEMENT

AGREEMENT made and entered into as of the 21<sup>st</sup> day of May, 1968, by and between COLUMBIA GAS OF KENTUCKY, INC., a Kentucky corporation (hereinafter called Seller), and CENTRAL ROCK COMPANY, a Kentucky corporation (hereinafter called Buyer).

WITNESSETH: That in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

Section 1. Gas to be Sold. Seller hereby agrees to sell and deliver and Buyer hereby agrees to purchase and receive, during the months of April through November, natural gas on an interruptible basis only for use in Buyer's plant at or near Forbes Road Extended, Lexington, Kentucky, in quantities up to 900 Mcf of gas per day. Seller shall have the right to curtail or interrupt deliveries of gas hereunder whenever and to the extent necessary such curtailment or interruption in the sole judgment of Seller may be required for the protection of other service.

Seller also reserves the right to interrupt deliveries hereunder, whenever and to the extent necessary, to prevent Seller from taking from its supplier on any one day a volume of gas in excess of Seller's then effective Contract Demand.

Seller shall give Buyer as much advance notice ~~as possible~~ of curtailment or interruption hereunder.

Buyer shall not use gas purchased hereunder as boiler fuel in an amount exceeding two thousand (2,000) Mcf on any one day; provided, however, that this limitation shall not apply to gas used to provide space heating or air conditioning.

Gas to be sold under this Agreement is pursuant to the terms and conditions stated herein and subject to the rules and regulations of the Public Service Commission of Kentucky, or of Seller filed, from time to time with such Commission and any subsequent revisions thereof and to other lawful orders of regulatory authorities having jurisdiction.

Section 2. Rate. Buyer agrees to pay for all gas purchased by it hereunder each month the following rates:

First 800 Mcf per Month @ \$.5204 per Mcf  
All Over 800 Mcf per Month @ \$.4354 per Mcf

Minimum Monthly Charge. A minimum charge of \$414.72 per month shall be made for each billing month during the term of the contract for gas delivered or the right of Buyer to receive the same.

In the event of curtailment or interruption in the delivery of gas by Seller, or complete or partial suspension of operation by Buyer due to strikes, fires, floods, explosions, or other catastrophe, the minimum charge shall be reduced in direct proportion to the ratio which the number of days of curtailed service or complete or partial suspension of operation bears to the total number of days in the Billing Month.

Purchased Gas Adjustment. The rates prescribed above are

The Purchased Gas Adjustment applicable to this Agreement shall be in the same amount and effective at the same time as any adjustments hereafter authorized by the Public Service Commission of Kentucky of Seller's rates in its Rate Schedule I-1 or any superseding Rate Schedule filed with the Commission made, from time to time, pursuant to the Purchased Gas Adjustment provisions of said Rate Schedule I-1.

Section 3. Measurement Base. To determine the volume of gas delivered, factors, such as those required for pressure, temperature, specific gravity and deviation from the laws for ideal gases shall be applied.

Section 4. Term. This Agreement shall become effective on June 1, 1968, and shall continue in effect for a period of one (1) year and thereafter from year to year unless and until terminated by written notice given by either party at least sixty (60) days prior to the end of such yearly period.
