RULES AND REGULATIONS

GENERAL RULES AND REGULATIONS WITH REFERENCE TO RATE SCHEDULES

1. Unless otherwise specified, a domestic, commercial or industrial consumer shall be interpreted to mean a customer served through an individual meter.
2. A multiple unit dwelling shall be interpreted to mean two or more consumers or dwelling units, such as apartments, trailers or mobile homes within a trailer park.
3. A master meter shall be interpreted to mean one meter servicing a trailer or mobile home park or a multiple unit dwelling; the Company reserved the right to charge a minimum monthly rate per mobile home or trailer or individual consumer within a multiple unit dwelling served through a master meter.
4. Anytime a master meter is used for rendering service, the Company shall require the execution of a service agreement in writing, which agreement among other things, shall specify the number of customers served through such master meter.
5. "M.C.F." is defined as 1,000 cubic feet at the measurement base.
6. Measurement Base: The unit of measurement shall be a M.C.F. at a pressure base of 14.65 p.s.i.a., a temperature of 60°F., and 0.6 specific gravity, having approximately 1,000 B.T.U. content per cubic foot.
7. "Service area" is defined as any area supplied from one connection with the Company's supplier, i.e., Nicholasville-Wilmore is one service area as one connection from Tennessee Gas Pipeline Company supplies both communities.

RATE SCHEDULE GS-2-AC - AIR CONDITIONING

RATE
PER UNIT

APPLICABILITY:

Applicable within all service areas where Delta purchases its supply of gas from the Tennessee Gas Pipeline Company, namely: Berea, Madison County - Salt Lick and Midland, Bath County - Nicholasville and Wilmore, Jessamine County - Jeffersonville, Montgomery County - Clearfield and Farmers, Rowan County and environs of each and the northeastern section of Garrard County.

AVAILABILITY:

This rate schedule is available for gas consumed by gas fired air conditioning only by consumers served under Rate Schedules GS-2 and GS-2-L and service hereunder is available only during the months of June through September.

CONTRACT REQUIREMENTS:

Service under this rate is available when a written contract has been executed specifying the base load.

CHARACTER OF SERVICE: Firm

RATES AND TERMS:

The charge per thousand cubic feet for all gas consumed in excess of the base load shall be

\$.78/MCF

DEFINITION: "Base Load" is defined as that quantity of gas normally consumed by the customer during non-heating months by other than space heating or air conditioning equipment.

GENERAL SERVICE RATE SCHEDULE GS-2-L - LARGE VOLUME SPACE HEATING	RATE PER UNIT
--	------------------

APPLICABILITY:

Applicable within all service areas where Delta purchases its supply of gas from the Tennessee Gas Pipeline Company, namely: Berea, Madison County-Salt Lick and Midland, Bath County - Nicholasville and Wilmore, Jessamine County - Jeffersonville, Montgomery County - Clearfield and Farmers, Rowan County and environs of each and the northeastern section of Garrard County.

AVAILABILITY:

1. Available for general use for individually metered service for domestic, commercial or industrial consumption.
2. Available for general service to consumers who by reason of large space heating loads are not eligible for service under the terms of General Service Rate GS-2.
3. All gas supplied at any location hereunder will be delivered through one point, except where Delta's operating convenience requires delivery at two or more points.

CONTRACT REQUIREMENTS:

Service under this rate schedule is available when a written contract with a minimum term of one year has been executed. Such contract shall specify the maximum daily contract volume and the space heating B. T. U. input agreeable to the Company and the customer.

The Seller reserves the right to waive, for just cause, the minimum monthly charge for a period of six (6) months starting with the date of initial service to the Buyer.

SPECIAL PROVISIONS:

1. It shall be the responsibility of the Buyer to provide and maintain at all times such adequate standby, auxiliary equipment and fuel as may be required or necessary, at the Buyer's discretion, to protect its full requirements and best interests.

2. In certain cases where the Seller makes a substantial investment in facilities or incurs other obligations for the specific purpose of rendering service to a Buyer, the Seller may require a longer term contract, a higher minimum bill, or a supplementary contract with terms and conditions which are equitable in the circumstances.

3. No gas delivered under this rate schedule and related contract shall be available for resale.

4. In the event the Buyer fails in part, or in whole, to comply with the Seller's curtailment order, either as to time or volume of gas used, the Buyer shall pay for the unauthorized gas so used at the rate of \$19.80 per MCF. Such rate shall be revised to reflect any increase or decrease imposed on the Seller by its supplier.

time or volume of gas used, the customer shall pay for the unauthorized gas so used at the rate of \$30.36 per M.C.F. Such rate shall be revised to reflect any increase or decrease imposed on the Company by its supplier.

In addition to this penalty payment, the regular applicable rates shall be billed by the Company and paid for by the customer for any and all gas used.

5. All gas delivered to one customer hereunder will be delivered through one point, except where Delta's operating convenience requires delivery at two or more points.

6. Any customer whose annual usage exceeds 300,000 M.C.F. may apply for a special contract rate.
