KENTUCKY PUBLIC
SERVICE COMMISSION

DISTCONTINUANCE OF SERVICE:

The Company may refuse or discontinue service to an applicant or customer for the following reasons:

1. For noncompliance with its rules and regulations, the regulations of the Energy Regulatory Commission or state, municipal and Federal codes applying to such service. The company shall make an effort to induce compliance, however after ten (10) days written notice service will be denied if compliance is not forth coming.
2. When a dangerous condition is found to exist, service will be denied without notice. The customer or applicant will be notified of the corrective action to be taken.
3. When reasonable access to premises is denied the company to carry out its responsibilities a fifteen (15) days notice will be given prior to termination of service.
4. For fradulent of illegal use of service.
5. For nonpayment of bills. A ten (10) day written notice shall be mailed prior to termination which shall not occur sooner the twenty-seven (27) days after the mailing date of the original bill. A residential customer may, prior to discontinuance, present a written certificate from a health official that discontinuance of service on the affected premises will result in aggravation of an existing illness or infirmity. The company will notify the customer in writing the address of state and federal programs designed to aid in payment of bills and that service will be terminated in thirty (30) days in absence of payment of all amounts due as stated in prior billings.

Public Gas Company

RULES AND REGULATIONS

1. The Company will endeavor to supply gas continuously and without interruption, and adopts a standard pressure at the outlet side of the meter of 4 ounces.

The Company cannot and does not guarantee either a sufficient supply or an adequate or uniform pressure of the gas supplied and shall not be liable for any damage or loss resulting from inadequate or interrupted supply or from any pressure variations when such conditions are not due to willful fault or neglect on its part.

property to its original condition pursuant to generally accepted utility standards for such construction operations.

2. COMPANY'S EQUIPMENT AND INSTALLATION

The Company shall furnish, install and maintain at its expense the necessary service connection. The location of this service connection will be made at the discretion and judgment of the Company.

The Company will furnish, install and maintain at its expense the necessary meter, meter stand (including meter riser), regulator and connections which will be located at or near the main service connection, property line or near the building, at the discretion or judgment of the Company. Suitable site or location for the meter, meter stand, (including meter riser), regulator and connections shall be provided by the customer and the title to this equipment shall remain in the Company with the right to install, operate, maintain and remove same and no charge shall be made by the customer for use of the premises as occupied or used.

3. PROTECTION OF COMPANY'S PROPERTY

All meters, piping and other appliances and equipment furnished by and at the expense of the Company, which may at any time be in or on the customer's premises shall, unless otherwise expressly provided herein, be and remain the property of the Company and the customer shall protect such property from loss or damage and no one who is not an agent of the Company shall be permitted to remove such property or to tamper with or damage same.

RATE
PER UNIT

Requested provisions:

- Jefferson Gas Transmission Company (Jefferson) shall be responsible for providing a permanent supply of gas up to the metered valve where gas is sold to Public Gas Company (Public);
- Public shall be responsible for all meter installations, meter reading, etc.;
- No "laterals" or "mains" will be installed by Public. Lines to be laid by Public will be service lines only;
- Public shall furnish Jefferson with regular meter readings to measure the amount of gas purchased at the metered tap-in point, and Jefferson shall have the right to verify such readings;
- Jefferson shall invoice Public for gas purchased at the current contract rate, this agreement incorporates that purchase contract by reference;
- Jefferson shall designate which areas of its gathering line it will make available to Public under this tariff, as not all areas will be guaranteed a sustainable gas supply for the foreseeable future;
- In the unlikely event the wells go dry in an area that Jefferson has allowed Public to tap-in, and it becomes necessary to "back-flow" gas to a Public tap-in, Jefferson customers in the area will have the option to become Public customers;
- Any customers qualified to receive service under KRS 278.485 that become Public customers pursuant to this contract can become Jefferson farm-tap customers by purchasing the hook-up from Public at its depreciated cost.
