**RE: *Louisville Gas and Electric Company's Application  
For Adjustments in its Electric and Gas Rates -  
Case No. 2009-00549***

Dear Customer:

On January 29, 2010, Louisville Gas and Electric Company ("LG&E") filed an Application with the Kentucky Public Service Commission ("Commission") requesting adjustments to its gas and electric rates, terms, and conditions.

E. I. duPont de Nemours and Company ("duPont") receives natural gas transportation service under a special contract, which incorporates by reference transportation service provided under LG&E's Firm Transportation Service (Non-Standby) Rate FT. LG&E's Application proposed no changes to Rate FT, or to the current special contract between LG&E and duPont for gas service.

On July 30, 2010, after evidentiary hearings, the Commission issued its Order in Case No. 2009-00459 approving adjustments to the rates, terms and conditions of LG&E. The Commission's Order sets forth no change to Rate FT, or to the current special contract between LG&E and duPont for gas service.

In addition, all other provisions of your contract, not specifically mentioned herein, remain the same as those in effect prior to the date of the Commission's Order of July 30, 2010, and all other Tariffs and Riders applicable to this contract will continue to apply.
