RULES AND REGULATIONS

1. CONDITIONS FOR SERVICE

The terms and conditions as stated in KAR 5:026 are referenced hereto and are incorporated in this filing.

2. In addition to KAR 5:026, the following conditions apply to each specified circumstance and are a part of this filing:

a. Nature of Company's Business

- 1) Diversified Gas & Oil Corporation ("DIVERSIFIED") shall not be liable to the Customer for discontinuance of service resulting from the plugging and abandonment or change in the use of any of its wells. It is understood that the line from which DIVERSIFIED supplies gas is not permanent and that service to the Customer by DIVERSIFIED may cease, either temporarily or permanently, if DIVERSIFIED in its sole discretion discontinues transportation of gas through that line. In such cases, either party thereto may cancel this arrangement on fifteen (15) days' written notice without prejudice to the right of DIVERSIFIED to continue to supply gas to other customers; and DIVERSIFIED shall not be liable for any deficiency in the supply caused by the use of pumping stations, breakage of lines, or other causes, or for any claim for damage on account of any matters set forth in this paragraph.
- 2) Further, DIVERSIFIED may be required to limit volumes to domestic customers and is under no obligation to maintain full and complete service due to contractual obligations with purchasers, maintenance of lines, etc.

e. Gas Measurement

The measurement of gas by meter shall be conclusive upon the Customer and DIVERSIFIED, except when such meter ceases to register, proves to be defective, or is found by test not to be accurate within the limitations specified in the rules of the Commission or a successor government authority.
