GAS SERVICE CONTRACT

HALCO ENERGY, INC. agrees to provide natural gas to the undersigned customer according to the following terms as stipulated by the Kentucky Public Service Commission Regulation 278:485:

(1) The gas service shall be furnished at rates and minimum monthly charges determined by the public service commission. These are as follows:

\$5.50/mcf for gas used at the customer's meter

\$5.00 minimum monthly charge

\$50.00 cash deposit. This deposit will earn interest

at the rate of 3% per year and is refundable at the

end of one year if the account has been kept current.

\$20.00 reconnect charge

\$150.00 tap fee

(2) The applicant for such gas service shall construct or cause to be constructed, and shall maintain and keep in good repair, the service lines, and shall provide and install or cause to be installed, and keep in good repair, the necessary automatic gas regulators, and shall pay the entire cost thereof. Halco Energy, at its own expense, shall provide, install and maintain the necessary gas meters.

(3) The construction of each service line, the installation, type and number of automatic gas regulators and gas meter or meters and the connection thereof with the gas producing well or pipeline shall be under the supervision of the public service commission or an agent thereof; and, shall conform to such standards of safety, location and convenience as may be prescribed by said commission.

(4) Neither the gas producer nor the gas pipeline company shall be responsible for maintaining any fixed or specified gas pressure. Neither the gas producer nor the gas pipeline company shall be liable for any accident or accidental injuries or damages which may result from any defect or failure of any automatic gas regulator or for any leakage or other defect or failure of any service line installed or constructed by the applicant.

(5) Nothing in this section shall be construed as requiring any gas pipeline company to serve any such owner of property or applicant from any line or well that have been held subject to federal jurisdiction by order of the Federal Energy Regulatory Commission or a court of competent jurisdiction. The provisions of this section shall apply only to producing wells and to gas pipelines commonly known as gathering lines.
