**RULES AND REGULATIONS**

**TAP FEE - \$150.00**

807 KAR 5:026 Section 9 outlines such charge, even though our estimated installation cost is greater.

Material Cost: Saddle, Nipple, and First Valve	\$90.00
Meter	\$60.00
Labor for Installation	\$60.00

**Cash Deposit - \$100.00**

In most cases we will waive a deposit upon our discrepancy. However, if we feel the need, we will do so to secure payment. If for any reasons due to termination of service a customer wishes to reestablish his or her service we will require a deposit paid along with any preexisting balances.

**RECONNECT / TURN-ON CHARGE - \$25.00**

If a customer is in default on payment and a reasonable effort to induce payment has been made, service may be terminated. This will require a visit by the well operator to shut valves and disconnect service. If the customer remits entire prior balance, deposit, and reconnect fee, then service will be reestablished.
