**RULES AND REGULATIONS**

1. Bills for service will be rendered monthly, the term "month" shall mean the period between consecutive meter readings which shall be taken, as nearly as possible, every thirty (30) days.
2. Bills are tendered on or about the 10th day of the month for service furnished during the previous month and are due on that date. Bills not paid by the end of the month shall be subject to a 9 percent penalty on the monthly amount due. A penalty will not be charged on an existing penalty.
3. A charge of \$150.00 shall be charged for each new service tap, including saddle and first shutoff valve that Quality Natural Gas, LLC must furnish and install.
4. A reconnection fee of \$40.00 shall be paid before service is restored following disconnection of service for non-payment of bills.
5. A \$100.00 deposit will be required for each new account. This will be refundable upon disconnection of service and payment of any balance due for gas service. Otherwise, the deposit will be applied toward the outstanding balance and the remainder, if any, will be refunded. Interest will be calculated at 6% compounded annually and will be paid to the customer or applied to their bill on the anniversary of the original deposit.
6. A reconnection fee of \$50.00 shall be paid by customers which request a disconnection and subsequently re-establish service at the same premises within 12 months.
7. A service charge of \$25.00 will be imposed on any customer whose check is returned from the bank due to insufficient funds. Such accounts will be considered in arrears, subject to penalty and possible termination after notice pursuant to 807 KAR 5:006, Section 11.
8. A charge of \$15.00 will be levied when a trip is made to collect a delinquent bill after proper notice.
9. Service will not be discontinued for non-payment of bills without first having made a reasonable effort to induce the customer to pay the balance due. A 10 day written notice of cut-off will be given the customer, but the cut-off shall not be effected before 27 days after the mailing of the original bill. This notice is separate from the bill and will include notification of state, local and federal programs, if any, and their addresses, which provide assistance in payment of utility bills under certain conditions.
10. For matters not addressed herein, Quality Natural Gas, LLC, adopts the applicable rules of the Public Service Commission
