PURCHASED GAS ADJUSTMENT (Continued)

Upon receipt of this information the Commission shall review the proposed reductions and within thirty days from receipt of the information required, issue its Order setting out the proper refund and/or the revised rates.

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments based upon the actual preceding twelve months period, greater than the difference between the purchased gas billed at the then existing rates and the purchased gas billed at the revised rate.

The unit charges as set forth in the above-designated rate schedules are predicated on the rates of Company's gas supplier as of March 1, 1974, which shall be the "Base Supplier Rate". On and after the effective date of this rate schedule, if any increase or decrease is made in the rate at which Company's gas suppliers sell gas to Company, the unit charges of the aforesaid rate schedule shall be increased or decreased by a Purchased Gas Adjustment determined as follows:

- (1) Gas purchases by the Company under supplier's applicable rate schedule during a period of twelve calendar months ending within two months preceding the month of the effective date of the supplier's rate change will be determined. Such purchases shall be priced:

- (a) At the Base Supplier Rate
- (b) At the New Supplier Rate.

- (2) The difference between the amounts so determined shall be divided by the number of thousand cubic feet of gas sold by Company during the said twelve month period. The unit charge or credit so determined, expressed in cents per thousand cubic feet, shall be the Purchased Gas Adjustment.
