- (3) A statement of the natural gas premium and the basis used to calculate that premium - No premium has been added to the applicable rate of \$6.38 since the rate currently exceeds the regular tariff rate schedule.
- (4) Number of customers served by this tariff and sales volumes for the past month - Due to the recent decrease in the price of natural gas and the recent increases in No. 2 fuel oil, there are currently no customers served under this rate schedule and likewise no sales volumes to report.
- (5) Revenue received under this tariff and revenue that would have been received had the tariff rate (ceiling price) been charged - No revenues have been received under this rate schedule.

PURCHASED GAS ADJUSTMENT (Continued)

A. Change in Rate (Continued)

(c) Comparing the resulting quotient of (b) above to the average cost obtained by the above procedure based on the base rates set forth herein.

The difference so derived to the nearest 0.1 cent shall represent the effect of change(s) in gas cost per Mcf billing unit of sales.

(2) The rates as stated in the applicable rate sheets shall be decreased or increased by application of a Gas Cost Adjustment as determined in (1) above and approved by the Commission. The rates so adjusted shall be effective with gas delivered to customers on and after the effective date of the change in city gate tariffs except that in the case the Commission's Order prescribes another effective date.

B. Refunds

(1) When the Company receives refunds from one or more of its suppliers or transporters which shall have resulted from a reduction in rates or charges applicable to prior periods and previously reflected in a change in rate under this provision, the Company shall pass on such refunds to customers as hereinafter described.

(a) Recompute, in the same manner as set forth in (A) above, each previously effective change in rates.

(b) Refund to its customers as a credit to each customer's bill over a period not to exceed four months commencing not more than 60 days after the date of receipt of the refund, an amount determined as follows:
