APPLICABLE TO RESIDENTIAL RATE SCHEDULE

ENERGY ASSISTANCE PROGRAM

An Energy Assistance Program ("EAP") surcharge of \$0.30 per month will be applied to all residential bills rendered under the Residential Rate Schedule. It has been added to Delta's existing customer charge as set forth on Sheet No. 2 of this tariff. Proceeds from the EAP surcharge will help fund a bill credit to enrolled low-income customers. It is available to eligible residential customers in the Company's service territory subject to enrollment through local community action agencies and subject to available funding. Delta's operating expenses associated with the program were considered in determining rates in Case No. 2007-00089. (1)
