

CLASSIFICATION OF SERVICE
RATE SCHEDULES**EFFICIENT NATURAL GAS APPLIANCE REBATE PROGRAM**

Rebates shall be offered to Delta Natural Gas residential customers who are constructing a new home, are changing from another energy source to natural gas, or who are adding or upgrading natural gas appliances to efficient models. For those constructing a new home, the rebate will be paid to one of the following parties: a builder constructing speculative home, a builder constructing model, tract or custom home, a customer contracting a builder, a customer acting as a general contractor, or a customer ordering a new manufactured or mobile home.

All equipment must meet program requirements and be installed according to applicable manufacturer's recommendations and code requirements. A customer must present the dated invoice to Delta within 120 days of installation in order to be eligible for a rebate. Delta personnel will perform a verification of the installation prior to granting the rebate. All equipment must meet the program guideline minimum requirements stated below with no exceptions.
