SERVICE COMMISSION**

**CLASSIFICATION OF SERVICE – RATE SCHEDULES  
TRANSPORTATION OF GAS FOR OTHERS ON SYSTEM UTILIZATION**

APPLICABILITY

Applicable within all areas served by Delta. See Tariff Sheet No. 17.

AVAILABILITY

Available to government or university-owned housing facilities that may be served as residential, and (T)  
small non-residential, large non-residential, interruptible and compressed natural gas fueling station (T)  
customers who have purchased natural gas elsewhere, obtained all requisite authority to transport such  
gas to Delta's facilities and request Delta to utilize its facilities to transport such customer-owned gas to  
place of utilization. Any such transportation service shall be subject to the terms and conditions set forth  
herein and to the reserved right of Delta to decline to initiate such service whenever, in Delta's sole  
judgment, the performance of the service would be contrary to good operating practice or would have a  
detrimental impact on other customers of Delta. Such detrimental impact may include under deliveries  
of transportation gas to Delta's system or switching by the transportation customer to Delta's Small Non-  
Residential, Large Non-Residential or Interruptible Service rate schedules.

RATE

A transportation charge comprised of the following components will be applied to each Mcf, or in the  
case of measurement based on heating value, each dekatherm (Dth) of gas transported hereunder:

- (1) Delta's Base Rate for gas sold as set forth in Delta's Small Non-Residential,  
Large Non-Residential and Interruptible Rate Schedules; plus
- (2) Where the pipeline suppliers transportation, compression or other similar  
charges are billed to Delta, the cost per Mcf or Dth, as applicable, of such  
charges; plus
- (3) A take-or-pay recovery component of \$(0.0000)
- (4) For compressed natural gas fueling station customers, in order to provide a fair  
opportunity to compete with other motor fuels, Delta may negotiate at Delta's  
sole discretion and such customers a fixed base rate that is no more than the  
maximum Base Rate set forth in Delta's Interruptible Service Rate Schedule,  
but is no less than the minimum Base Rate set forth in Delta's Interruptible  
Service Rate Schedule.

**CLASSIFICATION OF SERVICE – RATE SCHEDULES  
TRANSPORTATION OF GAS FOR OTHERS ON SYSTEM UTILIZATION****GAS SOLD TO CUSTOMER**

Monthly gas deliveries to customer in excess of scheduled transportation volumes will be billed by Delta and paid by customer in accordance with Delta's Standby Service Rate Schedule.

**TERMS AND CONDITIONS**

Service hereunder shall be performed under a written contract between customer and Delta setting forth specific arrangements as to term of the contract, volumes to be transported, points of delivery, methods of metering, timing of receipts and deliveries of gas by Delta, timing constraints relative to under deliveries and/or switching to Delta's Small Non-Residential, Large Non-Residential or Interruptible Service rate schedules, the availability of discounts in special situations and any other matters relating to individual customer circumstances.

At least ten (10) days prior to the beginning of each month, customer shall provide Delta with a schedule setting forth daily volumes of gas to be delivered into Delta's facilities for customer's account. Customer shall give Delta at least twenty-four (24) hours prior notice of any subsequent changes to scheduled deliveries. Delivery of gas transported hereunder will be effected as nearly as practicable on the same day as the receipt thereof. Delta will not be obligated to utilize underground storage capacity in performance of the service provided herein.

All gas volumes delivered hereunder shall shrink by 2% to cover line loss and measurement differences when no compression is being used in the transportation. When compression is required in the transportation, all gas volumes delivered hereunder shall shrink an additional amount equivalent to fuel usage.

It shall be the customer's responsibility to make all necessary arrangements, including regulatory approvals, required to deliver gas transported under this tariff.

Delta reserves the right to refuse to accept gas that does not meet Delta's quality specifications.

---

Volumes of gas transported hereunder will be determined in accordance with Delta's measurement base.

Customer owned gas transported hereunder for an interruptible customer will be subject to interruption in accordance with normal interruption procedures applicable to such rate schedule. Such customers must agree in writing to cause deliveries of customer-owned gas into Delta's facilities to cease upon notification by Delta of the necessity to interrupt or curtail the use of gas.

Delta shall have the right at any time to curtail or interrupt the transportation or delivery of gas to interruptible customers hereunder when, in Delta's sole judgment, such curtailment or interruption is necessary to enable Delta to maintain deliveries to customers of higher priority or to respond to any emergency. During such periods, Delta shall have the right to purchase any transportation gas delivered into Delta's system for the account of the customer at the actual cost the customer paid for such gas.

Delta may execute special transportation contracts with anyone after said contract has been filed with and accepted by the Public Service Commission.

This transportation is available to any customer with a daily nominated volume (the level of daily volume in Mcf as requested by the customer to be transported and delivered by the Company) which averages a minimum of 25 Mcf of gas per day for the billing period on an individual service at the same premise who has purchased their own supply of natural gas and require transportation by the Company to the point of utilization subject to suitable service being available from existing facilities. In order to provide a fair opportunity to compete with other motor fuels, this minimum volume requirement may be waived by Delta at its sole discretion for compressed natural gas fueling station customers.

For a customer that is utilizing transportation service and has under deliveries of transportation gas to Delta's system, and/or requests to revert to the Small Non-Residential, Large Non-Residential or Interruptible Service rate schedule, Delta may require a written contract providing for a continuance of service under the Small Non-Residential, Large Non-Residential or Interruptible Service rate schedule for a minimum term of twelve months beginning with the date service reverts to the Small Non-Residential, Large Non-Residential or Interruptible Service rate schedule.
