

Millennium Energy, Inc.

**RULES & ADMINISTRATIVE REGULATIONS**

**Applying for Service:**

Application for service may be made at Millennium Energy offices located at 698 Morgantown Road, Franklin, KY, between the hours of 7:30 and 4:30, Monday through Friday. The applicant's spouse or parent may also apply for service on behalf of the applicant; however, he or she will be considered a co-signer and must also accept responsibility for the bill. Applicants must provide a social security number and the address of the location for which service is desired.

**Deposit:**

New residential customers will be required to pay a deposit of \$100.00 prior to the connection of service. Interest will be accrued at 6% and credited to the account annually. New customers who provide a favorable credit report, from another utility, will not be required to submit a deposit. The deposit will be applied to the final bill. If there is a credit, it will be refunded. If there is a balance due, it will be billed. A portion of the deposit is subject to refund after one year of good payment history and will be refunded, regardless of payment history, after two years.

Non-residential customers may be required to pay a deposit of two months of the estimated service or provide a letter of credit or other non-cash surety.

**Returned Check Charge:**

A service charge of \$10.00 will be imposed on any customer whose check is returned due to insufficient funds. A \$25.00 fee will be charged for a returned check on a closed account.

**Connection Charge:**

A \$25.00 connection charge will be assessed to all customers prior to commencement of service. Customers who contribute to the aid-in-construction costs for new construction are exempt from this charge.

**Reconnection Charge:**

There will be a \$15.00 charge for reconnection service, during working hours (7:30-4:30, Monday-Friday). A \$55.00 fee will be charged for reconnection after hours. The company may refuse to connect or may discontinue service for non-payment of bills, non-compliance with the application for service or contract, or evidence of meter tampering. Discontinuance of service does not release a customer from any prior obligations to Millennium Energy.
