 SHEET NO.

RULES & REGULATIONS

PIPELINE REPLACEMENT PROGRAM (PRP)

Applicable to all utility customers receiving service from Apache Gas Transmission, Inc.

A. CALCULATION OF PIPELINE REPLACEMENT RIDER SURCHARGE:

The PRP surcharge is based on the annual cost of replacing damaged or exposed pipe on the Apache Gas Transmission's system.

B. PIPELINE REPLACEMENT PROGRAM FACTORS

All customers receiving service from Apache Gas shall be assessed a monthly charge in addition to the Transportation Charge component of their applicable rate schedule that will enable the completion of the pipeline replacement program.

The PRP Rider will be updated annually in order to reflect the impact of net plant additions from pipeline replacements. Such adjustment to the Rider will be filed no later than April 30 of each year and will become effective with meter readings on and after the first billing cycle of May each year, and will reflect allocation of the required increase based on the distribution approved by the Commission.
