RULES AND REGULATIONS

SECTION 1

This schedule of Rules and Regulations governs the furnishing of sewage service by Kingswood Development, Inc. STP, hereinafter referred to as the Utility and applies to all service received from the Utility. All Rules and Regulations are to be in effect so long as they are not in conflict with the rules and regulations of the Public Service Commission. The Utility is further subject to all Rules and Regulations of the Public Service Commission.

SECTION 2

1. SERVICE AREA

The Utility furnishes sewer service to Kingswood Development located at Mt. Washington in Bullitt County, Kentucky

PUBLIC SERVICE COMMISSION
OF KENTUCKY
EFFECTIVE

FEB 27 1998

2. SUBSTANCES NOT TO BE DISCHARGED INTO SEWERS

No substances shall be placed into the sanitary sewer system which will create a combustible, gaseous, explosive or inflammable condition nor shall any substances or objects be placed or discharged into the system which will not dissolve and which will thus cause an obstruction and clogging within the system. No petroleum products shall be placed or discharged into the system. No storm water or surface water drain shall be connected with the sanitary sewer system nor shall any storm or surface water be otherwise introduced into the system.

KENTUCKY PUBLIC
COMMISSION

7. CONNECTION CHARGES

Normal connections to existing sewer lines shall be made without charge for a prospective customer who applies for and contracts to use services for one (1) year or more. Any such connection made at the property line of a prospective customer shall be classified as a normal connection.

Any prospective customer, and any subdivider, developer, contractor, or other entity which is not a prospective customer, requiring service for a defined undeveloped area that is determined feasible to serve, will be charged the full cost of installation. In such instances the prospective customer, subdivider, developer, contractor, or other entity which is not a prospective customer, will be charged a contribution in aid of construction.

If any prospective customer is directly charged a contribution in aid of construction, the contribution charged shall be subject to Public Service Commission approval. If any subdivider, developer, contractor, or any other entity which is not a prospective customer is directly charged a contribution in aid of construction, the contribution charged shall be subject to negotiation between the utility and the subdivider, developer, contractor or other entity which is not a prospective customer, and such charge shall not be subject to Public Service Commission approval.

RULES AND REGULATIONS

Any customers ultimately connected under this arrangement shall be charged according to the utility's current approved rates filed with the Public Service Commission.

For purposes of this provision the term "prospective customer" shall mean any person firm or corporation which expresses an intent to become an ultimate user or customer of the utility at the time of the contribution in aid of construction is charged. A subdivider, developer or contractor is not considered a "prospective customer for purposes of this section.

KENTUCKY PUBLIC
SERVICE COMMISSION

8. SEWER EXTENSIONS

Any sewer extensions must be approved by the officers of Kingswood Development, Inc. and all applicable regulatory agencies.

All authorized sewer extensions shall be installed in accordance with applicable rules and regulations of the various regulatory agencies having jurisdiction.

All sewer lines shall be located in 10 feet wide easements and such easements shall be accessible to sanitation maintenance personnel at all times for maintenance purposes.

All sewer lines extensions, pumping stations and related works shall be constructed by Kingswood Development, Inc. using the "Open Building" process. Any such work shall be paid for by the Requesting Person, Corp or Agency.

All construction by Kingswood Development, Inc. shall be inspected by a Kentucky registered professional engineer. The engineer shall furnish "as built" drawings and a certification that construction completed in accordance with plans and specs.

9. DISCONTINUANCE OF SERVICE BY THE UTILITY

The Utility may refuse or terminate service for noncompliance with its tariffed rules or commission regulations after having made a reasonable effort to obtain customer compliance. Said customer will be given at least ten (10) days written notice prior to termination.

If a dangerous condition is found to exist service may be terminated without notice however, the utility will notify the customer in writing and if possible orally of the reasons for termination or refusal. The notice will be recorded along with the corrective action to be taken by the customer or the utility before service is restored or provided.
