Hardin County Water District No. 2  
(NAME OF UTILITY)

CANCELLING PSC KY NO. \_\_\_\_\_

\_\_\_\_\_ SHEET NO. \_\_\_\_\_

### CAPACITY FEE

**METER SIZE\***

- 5/8" x 3/4"
- 1"
- 1 1/2"
- 2"
- 3" and larger

**AMOUNT**

- \$ 500.00 (N)
- \$ 800.00 (N)
- \$1,300.00 (N)
- \$5,000.00 (N)
- To Be Based Upon Actual Water Usage

The City of Elizabethtown will charge the District a one-time Capacity Fee for each Customer that connects to the District’s sewer system. The Capacity Fee is based upon the amount of Wastewater Treatment Capacity that will be utilized by a particular Customer. The District shall “pass-through” the Elizabethtown Capacity Fee to the District’s Customer without any mark-up. This amount must be paid before a Customer connects to the District’s sewer system.

To encourage potential sewer customers to connect to the District’s sewer system, the District will use Project funds to pay the Capacity Fee for any customer who signs an Application for Sewer Service and Sewer User Agreement within 30 days after sewer service is made available to that customer. In addition, the customer must actually connect to the sewer system on or before December 31, 2019.

\* “Meter size” means the size of the water meter serving the premises to receive sewer service
