RULES AND REGULATIONS

Monthly Usage Charge for Special Service

Multi-Unit Facility

The monthly charge for customers who have sewer service at a multi-unit facility shall be the amount based on the average gallons of water usage per housing unit at the current sewer rate schedule times the number of housing units in the multiple facility. Should water service not be available at the facility, the monthly charge shall be the amount based on the water system average at the current sewer rate schedule times the number of housing units in the multiple facility.

Should water service not be available at the facility, the monthly charge shall be based on the water system's average residential usage and calculated at the current sewer rate schedule multiplied by the number of housing units in the multiple-unit facility to derive the total bill due.
