RULES AND REGULATIONS

Connection Charges:

Any prospective customer, and any subdivider, developer, contractor, or other entity which is not a prospective customer, requiring service for a defined undeveloped area that is determined feasible to serve, will be charged the full cost of installation. In such instances the prospective customer, subdivider, developer, contractor, or other entity which is not a prospective customer will be charged a contribution in aid of construction.

If any prospective customer is directly charged a contribution in aid of construction, the contribution shall be subject to Public Service Commission approval. If any subdivider, developer, contractor, or any other entity which is not a prospective customer is directly charged a contribution in aid of construction, the contribution charged shall be subject to negotiation between the utility and the subdivider, developer, contractor or other entity which is not a prospective customer, and such charge shall not be subject to Public Service Commission approval.

Any customers ultimately connected under this arrangement shall be charged according to the utility's current approved rates filed with the Public Service Commission.

For purposes of this provision the term "prospective customer" shall mean any person, firm or corporation which expresses the intent to become an ultimate user or customer of the utility at the time of the contribution in aid of construction is charged. A subdivider, developer or contractor is not considered a "prospective customer" for the purposes of this section.
