4. Service Investigation Charge. A charge of \$25.00 per trip shall be made for service investigation during regular working hours if interruption of service or service problem is associated with the customers own plumbing facilities and beyond the Water Districts delivery point and is not caused by failure of District's facilities. The charge for investigation after working hours will be \$65.00 per trip. Any maintenance and repair of facilities beyond District's delivery point is the responsibility of the customer.
5. Investigation Charge. When an investigation of facilities on customers' premises reveals unauthorized use of sewer system, an investigation fee of \$75.00 shall be charged. The actual cost of repairing damage and correcting the improper service connection, if any shall be charged and the customers bill shall be paid for the amount of service rendered.
6. Return Check Charge. When a check, including auto pay, is accepted for payment of a bill and the check is not honored by the financial institution, a return check charge \$25.00 shall be charged.
7. Service Line Inspection Charges. A charge of \$50.00 shall be made to inspect a customers service line from the point of use by the customer to the Water District point of acceptance of waste. The service line inspection charge may be waived if confirmation is received from the Kentucky State Plumbing Inspector that a state plumbing permit has been obtained and the State Plumbing Inspector will inspect the service line.
