COMMISSION

Dear Mr. Dorman,

Enclosed for filing with the Commission are the original and Four (4) copies of a promotion offered by AT&T Communications of the Southern States, LLC to be effective November 1, 2005.

This filing introduces the SDS (Switched Digital Service) Volume Plan Promotion. The details of the plan are below. Rates for this service can be found in the Custom Network Services Tariff in the PRICE LIST section on 2nd Revised Page 24 that will be effective on November 1, 2005.

SDS VOLUME PLAN PROMOTION

Beginning November 1, 2005 and ending January 31, 2006, AT&T will offer a 20% monthly discount on SDS Volume Plan usage rates to new and existing customers who sign up for a 1 year, 2 year, or 3 year Term Plan and commit to incurring at least \$50 - \$16,500 per month (\$600 - \$198,000 annually) in intrastate, interstate and international usage.

For months that the customer does not meet the monthly commitment, the customer will be billed the Volume Plan usage charges as specified in the Price List for that month. However, if the customer meets their annual commitment, a credit will be applied for the month(s) the customer usage was not discounted. This credit is equal to the difference between the undiscounted and discounted usage for that month. Additionally, this credit will expire within six (6) months of posting to that same account that generated the usage.

If the customer meets their annual commitment any time during the year, the customer will receive the discount for the remainder of the plan year as applicable.

Service orders must be placed by February 7, 2006. Customers must request an installation date of no later than February 14, 2006.
