## TARIFF FORMAT

- A. Page Numbering - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.
- B. Page Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Louisiana PSC. For example, the 4<sup>th</sup> Revised Page 14 cancels the 3<sup>rd</sup> Revised Page 14. Because of various suspension periods, deferrals, etc., the KY PSC will follow in their tariff approval process, the most current page number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the page currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
  - 2.1.
  - 2.1.1
  - 2.1.1.A.
  - 2.1.1.A.1.
  - 2.1.1.A.1.(a).
  - 2.1.1.A.1.(a).I.
  - 2.1.1.A.1.(a).I.(i).
  - 2.1.1.A.1.(a).I.(i).(1).
- D. Check Sheets - When a tariff filing is made with the KY PSC, an updated check sheet accompanies the tariff filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the KY PSC.

SECTION 2 - RULES AND REGULATIONS

2.1 Undertaking of the Company

The Company's services and facilities are furnished for communications originating at specific points within the state of Louisiana under terms of this tariff.

The Company installs, operates, and maintains the communications services provided herein in accordance with the terms and conditions set forth under this tariff. It may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the Customer, to allow connection of a Customer's location to the Company's network. The Customer shall be responsible for all charges due for such service arrangement.

The Company's services and facilities are provided on a monthly basis unless ordered on a longer term basis, and are available twenty-four hours per day, seven days per week.

2.2 Limitations

2.2.1 Service will be furnished subject to the availability of the necessary facilities and provisions of this tariff.

2.2.2 The Company reserves the right to discontinue furnishing service, upon written notice, when necessitated by conditions beyond its control, or when the Customer is using the service in violation of law or the provisions of this tariff.

2.2.3 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions for service.

SECTION 2 - RULES AND REGULATIONS (CONT'D)

2.3 Liabilities of the Company

2.3.1 The Company's liability for damages (including indirect, special, or consequential damage) arising out of mistakes, interruptions, omissions, delays, errors, or defects in the transmission occurring in the course of furnishing service or facilities in no event shall exceed an amount equivalent to the proportionate charge to the Customer for the period during which aforementioned faults in transmission occur.

2.3.2 The Company shall be indemnified and held harmless by the Customer against:

A. Claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content transmitted over the Company's facilities.

B. All other claims arising out of any act or omission of the Customer in connection with any service or facility provided by the Company.

SECTION 2 - RULES AND REGULATIONS (CONT'D)

2.4 Interruption of Service

2.4.1 Credit allowances for the interruption of service which is not due to the Company's testing or adjusting, negligence of the Customer, or to the failure of channels or equipment provided by the Customer, are subject to the general liability provisions set forth in 2.3.1 herein. It shall be the Customer's obligation to notify the Company immediately of any service interruption for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission by the Customer within his control, if any, furnished by the Customer and connected to the Company's facilities. No refund or credit will be made for the time that the subscriber does not provide access to the Company for such restoration work.

2.4.2 No credit shall be allowed for an interruption of a continuous duration of less than forty-eight hours after the subscriber notifies the Company.

2.4.3 The Customer shall be credited for an interruption of more than twenty-four hours as follows:

Credit Formula:

Credit = A/B x C

"A" - outage time in hours

"B" - total days in month

"C" - monthly recurring charge

SECTION 2 - RULES AND REGULATIONS (CONT'D)

2.5 Disconnection of Service by Carrier

2.5.1 For nonpayment: The Company may terminate service to a Customer or Subscriber for nonpayment of undisputed charges upon five (5) days written notice to the Customer or Subscriber without incurring any liability for damages due to loss of telephone service to the Customer or Subscriber. Under no circumstances shall service be terminated prior to twenty (20) days after the mailing date of the original bill.

2.5.2 The Company may refuse or discontinue service under the following conditions provided that unless otherwise stated, the Customer shall be given ten (10) days written notice to comply with any rule or remedy any deficiency:

- A. For non-compliance with or violation of any State, Municipal, or Federal law, ordinance or regulation pertaining to telephone service.
- B. For use of telephone service for any purpose other than that described in the application.
- C. For neglect or refusal to provide reasonable access to the Company or its agents for the purpose of inspection and maintenance of equipment owned by the Company or its agents.
- D. For noncompliance with or violation of Commission regulation or the Company's rules and regulations on file with the Commission.
- E. Without notice in the event of Customer, Subscriber or Authorized User use of equipment in such a manner as to adversely affect the Company's equipment or service to others.
- F. Without notice in the event of tampering with the equipment or services owned by the Company or its agents.

SECTION 2 -RULES AND REGULATIONS (CONT'D.)

2.5 Disconnection of Service by Carrier (Cont'd.)

2.5.2 (Cont'd.)

- G. Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, the Company may, before restoring service, require the Customer or Subscriber to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use.
- H. Without notice by reason of any order or decision of a court or other government authority having jurisdiction which prohibits Company from furnishing such services.

2.6 Deposits

- A. To safeguard its interests, the Company may, in addition to any advance payments, require a Customer to make an initiate-service deposit to be held as a guarantee for the payment of charges. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills that the Company renders to the Customer. An increase to the deposit may be required if the Customer later defaults in its payment obligations. The deposit will not exceed an amount equal to:
  - 1. Two months' rates and charges for a service or Company Facility which has a minimum payment period of one month, or
  - 2. The charges that would apply for the minimum payment period for a service of Company Facility which has a minimum payment period of more than one month, except that the deposit may include an additional amount in the event that a termination charge is applicable but in no event shall any deposit exceed two and one-half twelfths (2.5112) of the annual estimated rates and charges for the service pursuant to Georgia Regulations (5 15-12-1-.05(4)).
- B. The Company may, at its option, return the deposit to the Customer or credit the deposit to the Customer's account at any time. When a Company Facility or service is discontinued, the amount of any deposit that has not already been returned to the Customer will be applied to the Customer's account and any credit balance remaining will be refunded to the Customer.

SECTION 2 - RULES AND REGULATIONS (CONT'D.)

2.7 Advance Payments

For Customers whom the Company feels an advance payment is necessary, the Company reserves the right to collect an amount not to exceed two (2) months estimated charges as an advance payment for service. This will be applied against the next month's charges and, if necessary, a new advance payment will be collected for the next month.

2.8 Taxes

All state and local taxes (Le., gross receipts tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

2.9 Billing of Calls

All charges due by the subscriber are payable at any agency duly authorized to receive such payments. Any objection to billed charges should be reported within thirty (30) days of the invoice date to the Company. Adjustments to Customer' bills shall be made to the extent that records are available and/or circumstances exist which reasonably indicate that such charges are not in accordance with approved rates or that an adjustment may otherwise be appropriate.

2.10 Bill Format

The Company's monthly bill to each Customer consists of a billing summary of current charges, previous balance due and payments received and call detail pages. The bill includes the Company's name, address and toll-free telephone number.

2.11 Billing and Collection of Charges

Charges are due and payable from the Customer upon receipt of the invoice. All charges are considered past due if not paid by the "Due Before Date" shown on the invoice, which is 21 days after the invoice is generated.

SECTION 2 - RULES AND REGULATIONS (CONT'D.)

2.12 Late Payment Charge

A Late Payment Charge of \$15.00 for Business services and \$5.50 for Residential services will apply to each customer's bill for all new, unpaid regulated charges. The Late Payment Charge is only applied where at least \$6.00 of regulated charges are outstanding as of the "Due Before Date" shown on the monthly invoice, one month after these charges are first applied. In addition, a Finance Charge of 1.5% will be applied to the full outstanding balance on each billing date.

2.13 Returned Check Charge

A returned check charge of \$25.00 will be assessed for checks or other payment type submitted by the Customer to the Company returned or dishonored for insufficient funds. Any applicable return check charges will be assessed according to the terms and conditions of the billing entity (Le. local exchange company and/or commercial credit card company) and pursuant to Kentucky state law and Commission regulations.

2.14 Special Promotion

From time to time, the Carrier may provide promotional offerings to introduce a current or potential Subscriber to a service not being used by the Subscriber. These offerings may be limited to certain dates, times or locations and may waive or reduce recurring or non-recurring charges. Notice of such promotional offerings will be given to the Kentucky Public Service Commission at least one (1) business day in advance of the promotion.

SECTION 2 - RULES AND REGULATIONS (CONT'D.)

2.15 Facilities Charge

The Facilities Charge provides for delivery of high quality services, including connecting customers to the network, customer service and network monitoring, updating operational systems, and the construction of a facilities-based network. Long Distance-only numbers are subject to a Facilities Charge where there is more than one business line at the physical location.

2.16 Regulatory Compliance Fee

The Regulatory Compliance Fee covers costs associated with ongoing regulatory and compliance obligations, participation in regulatory proceedings, handling customer complaints with regulatory agencies, and negotiations with other regulated carriers.

Regulatory Compliance Fee \$0.75

2.17 Carrier Access Recovery Charge

The Carrier Access Recovery Charge funds a contribution towards higher costs of interconnection with other carriers, due to the ongoing shift of network cost recovery from carrier-billed access services.

Carrier Access Recovery Charge \$1.35

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Timing of Calls

3.1.1 When Billing Charges Begin and End for Phone Calls

The Customer's long distance usage charge is based on the actual usage of the Company's network. Usage begins when the called party picks up the receiver, (Le. when 2 way communication, often referred to as "conversation time" is possible.). When the called party pick up is determined by hardware answer supervision in which the local telephone company sends a signal to the switch or the software utilizing audio tone detection. A call is terminated when the calling or called party hangs up.

3.1.2 Billing Increments

Unless otherwise specified in the service descriptions, the minimum call duration for billing purposes is thirty (30) seconds for a connected call and calls beyond thirty (30) seconds are billed in six (6) second increments. Partial increments are rounded up to the next whole increment.

3.1.3 Per Call Billing Charges

Billing will be rounded up to the nearest penny for each call.

3.1.4 Uncompleted Calls

There shall be no charges for uncompleted calls.

## SECTION 3 - DESCRIPTION OF SERVICE (CONT'D.)

## 3.2 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call. The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers that are produced by Bell Communications Research in the NPA-NXX V & H Coordinates Tape and Bell's NECA Tariff No. 4.

Formula:

The square root of: 
$$\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}$$

## 3.3 Service Offerings

## 3.3.1 Long Distance Service

Long Distance Service is offered to residential and business customers. The service permits direct dialed outbound calling at a per minute rate. Service is provided from presubscribed, dedicated or shared use access lines. Calls are billed in six second increments with a thirty (30) second minimum. No monthly recurring charges or minimum monthly billing requirements for outbound long distance calls will apply for those customers using AJN for both local and long distance service. A minimum monthly billing requirement of \$4,95/account per month will apply for customers using AW for long distance service only.

**SECTION 3 - DESCRIPTION OF SERVICE (CONT'D.)****3.3 Service Offerings (Cont'd.)****3.3.2 Toll Free (Inbound) Long Distance Service**

Toll Free (Inbound) Long Distance Service is offered to residential and business customers. The service permits inbound toll free calling at a per minute rate. Service is provided from pre-subscribed, dedicated or shared use access lines. Calls are billed in six second increments, with a thirty (30) second minimum call duration. A monthly recurring charge of \$5.00 will apply for each toll free number assigned to an account.

**3.3.3 Calling Card Service**

Calling Card Service is a calling card service offered to residential and business customers who subscribe to the Long Distance Service calling plan. Customers using the Carrier's calling card service access the service by dialing a 1-800 number followed by an account identification number and the number being called. This service permits subscribers utilizing the Carrier's calling card to make calls at a single per minute rate. Calls are billed in one (1) minute increments after the initial minimum period of one (1) minute. There are no nonrecurring or monthly recurring charges. No calling card surcharge applies for intrastate calls. (The \$2.49 International Origination Surcharge will be included in the Interstate Rate Posting rather than this tariff.)

**3.3.4 Operator Services**

The Company's operator services are provided to residential and business customers who "pre-subscribe" to this service for intrastate calling. Operator services include the completion of collect, station-to-station, person-to-person, third party billing and credit card calls with the assistance of a Carrier operator. Each completed operator assisted call consists of two charge elements (except as otherwise indicated herein): (i) a fixed operator charge, which will be dependent on the type of billing selected (e.g., calling card, collect or other) and/or the completion restriction selected (e.g., station-to-station or person-to-person); and (ii) a measured usage charge dependent upon the duration, distance and/or time of day of the call.

SECTION 3 -DESCRIPTION OF SERVICE (CONT'D.)

3.3 Service Offerings (Cont'd.)

3.3.4 Operator Services (Cont'd.)

A. Operator Dialed Surcharge

This surcharge applies to Operator Station-to-Station and Person-to-Person rated calls when the Customer has the capability of dialing all the digits necessary to complete a call but elects to dial only the appropriate operator code and requests the operator to dial the called station. The surcharge does not apply to:

- 1) Calls where a customer cannot otherwise dial the call due to defective equipment or trouble on the Company network; and Calls in which a Company operator places a call for a calling party who is identified as being handicapped and unable to dial the call because of his/her handicap.
- 2) The Operator Dialed Surcharge applies in addition to any other applicable operator charges.

B. Verification Service

Verification Service provides operatory assistance in determining in a called line is in use.

C. Interruption Service

Interruption Service provides for operator interruption of voice conversation in progress on a called line to advise the interrupted subscriber that the interrupting party has an emergency need to reach him. Data use of a subscriber line will be verified, but not interrupted.
