SECTION 9 (1)

SECTION 1 - DEFINITIONS

Access Line - An arrangement which connects the Subscriber's or Customer's location to the Carrier's designated point of presence or network switching center.

Authorized User - A person, firm or corporation, or any other entity authorized by the Customer or Subscriber to communicate utilizing the Company's services.

Carrier or Company - United Telecom Inc., unless otherwise indicated by the context.

Customer - The person, firm or corporation, or other entity which orders, cancels, amends, or uses service and is responsible for the payment of charges and/or compliance with tariff regulations.

Customer Premises Equipment - Terminal equipment, as defined herein, which is located on the Customer's premises.

Dedicated Access - See Special Access Origination/Termination.

KPSC - Refers to the Kentucky Public Service Commission.

Special Access Origination/Termination - Where originating or terminating access between the Customer and the interexchange carrier is provided on dedicated circuits. The Access Provider provides these dedicated circuits from the Customer's location to the Company's point of presence. The rates and charges for dedicated circuits are determined by the Access Provider and the Customer is responsible for payment of these charges to the Access Provider.

Subscriber - The person, firm, corporation, or other legal entity, which arranges for services of the Company on behalf of itself or Authorized Users. The Subscriber is responsible for compliance with the terms and conditions of this tariff. A Subscriber may also be a Customer when the Subscriber uses services of the Company.

Switched Access Origination/Termination - Where originating or terminating access between the Customer and the interexchange carrier is provided on Feature Group D circuits.

Terminal Equipment - Devices, apparatus, and associated wiring, such as teleprinters, telephones, or data sets.

SECTION 9 (1)

2.1 Undertaking of the Company

United Telecom Inc. offers intrastate service originating at specified points within the state of Kentucky under terms of this tariff. The Company's services and resold facilities are provided on a monthly basis unless otherwise provided, and are available twenty-four hours per day, seven days per week.

The Company installs, operates, and maintains the communications services provided herein in accordance with the terms and conditions set forth under this tariff. The Company may act as the Subscriber's agent for ordering access connection facilities provided by other carriers or entities when authorized by the Subscriber, to allow connection of a Subscriber's location to the Company's network. The Subscriber shall be responsible for all charges due for such service arrangement.

2.2 Limitations

- 2.2.1 Service is offered subject to the availability of the necessary resold facilities and equipment, or both facilities and equipment, and subject to the provisions of this tariff.
- 2.2.2 The Company reserves the right to discontinue or limit service when necessitated by conditions beyond its control, or when the Subscriber or Customer is using service in violation of provisions of this tariff, or in violation of the law.
- 2.2.3 The Company does not undertake to transmit messages, but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connections.
- 2.2.4 All services and resold facilities provided under this tariff are directly or indirectly controlled by the Company and the Subscriber may not transfer or assign the use of service or facilities without the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.

2.2.5 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions of service.

2.3 Use

Services provided under this tariff may be used for any lawful purpose for which the service is technically suited.

2.4 Liabilities of the Company

- 2.4.1 The Company's liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in transmission which occur in the course of furnishing service or facilities, shall be determined in accordance with 807 KAR 5:061 Section 25 regulations and any other applicable law.
- 2.4.2 The Company shall not be liable for claim or loss, expense or damage (including indirect, special or consequential damage), for any interruption, delay, error, omission, or defect in any service, facility or transmission provided under this tariff, if caused by any person or entity other than the Company, by any malfunction of any service or facility provided by any other carrier, by an act of God, fire, war, civil disturbance, or act of government, or by any other cause beyond the Company's direct control.
- 2.4.3 The Company shall not be liable for, and shall be fully indemnified and held harmless by Customer and Subscriber against any claim or loss, expense, or damage (including indirect, special or consequential damage) for defamation, libel, slander, invasion, infringement of copy-right or patent, unauthorized use of any trademark, trade name or service mark, unfair competition, interference with or misappropriation or violation of any contract, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data, information, or other content revealed to, transmitted, or used by the Company under this tariff; or for any act or omission of the Customer or Subscriber; or for any personal injury or death of any person caused directly or indirectly by the installation, maintenance, location, condition, operation, failure, presence, use or removal of equipment or wiring provided by the Company, if not directly caused by negligence of the Company.
- **2.4.4** The Company shall not be liable for any defacement of or damages to the premises of a Subscriber resulting from the furnishing of service, which is not the direct result of the Company's negligence.

2.5 Taxes

All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

2.6 Terminal Equipment

The Company's facilities and service may be used with or terminated in Subscriber-provided terminal equipment or Subscriber-provided communications systems, such as a PBX or Pay Telephone. Such terminal equipment shall be furnished and maintained at the expense of the Subscriber, except as otherwise provided. The Subscriber is responsible for all costs at his or her premises, including personnel, wiring, electrical power, and the like, incurred in the use of the Company 's service. When such terminal equipment is used, the equipment shall comply with the generally accepted minimum protective criteria standards of the telecommunications industry as endorsed by the Federal Communications Commission.

2.7 Installation and Termination

Service is installed upon mutual agreement between the Subscriber and the Company. The agreement will determine terms and conditions of installation, termination of service, any applicable sales commission structure, and sales commission payment schedule. The service agreement does not alter rates specified in this tariff.

When Customers are members of the transient public, they do not contract directly with the Company for provision of service. Subscribers contract for service on behalf of themselves and/or their transient patrons. Service provided to Customers (patrons of the contracting party) is governed by the terms of this tariff schedule and the lawful terms of the billing agency. No contractual agreements are required of the Customer.

2.8 Cancellation by the Company

Without incurring liability, the Company may immediately discontinue services to a Subscriber or End User or may withhold the provision of ordered or contracted services:

- **2.8.1** For nonpayment of any sum due for more than thirty days after issuance of the bill for the amount due,
- 2.8.2 For violation of any of the provisions of this tariff,
- 2.8.3 For violation of any law, rule, regulation or policy of any governing authority having jurisdiction over the Company 's services, or
- 2.8.4 By reason of any order or decision of a court, public service commission or federal regulatory body or other governing authority prohibiting the Company from furnishing its services.

2.9 Interruption of Service by the Company

Without incurring liability, the Company may interrupt the provision of services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of subscriber and the Company's equipment and facilities and may continue such interruption until any items of non-compliance or improper equipment operation so identified are rectified.

The Company may discontinue Service without notice to the subscriber, by blocking traffic to certain countries, cities, or NXX exchanges, or by blocking calls using certain customer authorization codes, when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore service as soon as it can be provided without undue risk, and will, upon request by the customer affected, assign a new authorization code to replace the one that has been deactivated.

2.10 Termination of Service by Subscriber

Unless otherwise specified by contractual commitment, any Subscriber may terminate service with the Company upon thirty days written notice.

SECTION 3 - DESCRIPTION OF SERVICE AND RATES

3.1 General Description of Rates and Charges

3.1.1 Application of Charges

Long Distance Communications Service includes recurring and non-recurring charges. Stabilized recurring charges may be offered on a Customer specific basis where service demands or competitive necessity justify such charges. Recurring charges consist of flat-rated monthly and usage-sensitive charges. Service also may include a Minimum Charge. Nonrecurring charges for installation of a service and additions to service, as well as a Termination Charge and Cancellation Charge, are also included.

- (a) Non-Recurring Charges: Non-Recurring Charges are billed in advance.
- (b) Recurring Charges: Recurring Charges, including usage-sensitive charges, are billed in arrears.

3.1.2 Taxes

The Customer will be billed for, and is responsible for payment of any taxes, surcharges, fees or assessments (excluding taxes on the Company's net income) imposed on or based upon provision, sale or use of the Company's services.

3.1.3 Jurisdiction

When the location of the calling and the called stations is a factor in rate determination, the rate is calculated according to whether the termination of the call is intrastate, interstate or international. This tariff contains rates for intrastate calls only.
