#### WITNESSETH

**PURSUANT TO 807 KAR 5:011.** 

whereas, OMU is authorized by the Statutes of Rentucky BY and/or by the Ordinances of the City of Owensboro, Kentucky, to own, operate, and maintain a water system within and beyond the City limits of Owensboro; and,

WHEREAS, the DISTRICT is organized under the laws of Kentucky and the orders of the Daviess County Fiscal Court to operate a water district for the purpose of supplying water within said DISTRICT; and,

WHEREAS, OMU and the DISTRICT (the "Parties") have agreed upon the terms and conditions under which OMU shall sell and the DISTRICT shall purchase water to be distributed by the DISTRICT to its customers; and

WHEREAS, the DISTRICT has been purchasing treated water from OMU under a contract dated the 26th day of February, 1965, as amended (the "Contract"); and

WHEREAS, the Parties wish to supersede said Contract with this Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, it is covenanted and agreed between the parties hereto as follows:

#### ARTICLE I

#### DEFINITIONS

As used in this Agreement, the following terms shall have the meanings set forth in this Article, unless the context requires otherwise.

# 1.1 Base Year Plant Usage

ending May 31, 1989 which is specified to BUBLIC SERVICE COMMISSION of KENIGGKY million gallons per day) as shown in Exhibit B.

SEP 23 1994

# 1.2 Clock Day

The twenty-four (24) hour period ending 12:00 midnight.

### 1.3 Debt Service Expense

With respect to the Original Treatment Facility and Transmission Facilities, the Debt Service Expense is the sum of:

- (a) the annual debt service (principal and interest payments) on all OMU water revenue bonds outstanding on December 31, 1991 allocated to these respective facilities on the basis of plant investment in these facilities as of the same date, and
- (b) that portion of debt service on any additional revenue bonds used for:

- (1) improvements to the Original Treatment Facility which do not increase its overall treatment capacity and
- (2) additions to Transmission Facilities.

With respect to the New Treatment Facility, the Debt Service Expense is the annual principal and interest payment on the portion of OMU revenue bonds issued to finance construction of this facility, related reserve fund deposits and bond issuance costs.

Debt Service Expense shall be reduced by the amount of interest income earned on investment of funds in the debt service reserve accounts of the respective revenue bond issues.

The assignment and allocation of Debt Service Expense to the Original Treatment Facility, New Treatment Facility, New Treatment OF KENTUCKY Transmission Facilities is shown in Exhibit E. EFFECTIVE

### 3.1 Source

The source of the water to the DISTRICT shall include all of OMU's existing municipal water system and any future municipal water system, additions or improvements that OMU may construct or acquire.

## 3.2 Points of Delivery

OMU shall deliver the water to the DISTRICT'S water lines at the point or points shown in Exhibit A and at such other points in OMU's system as is mutually agreed upon by the Parties.

OMU does not guarantee any specific water pressure at any of the existing points of delivery, but does covenant to use reasonable care and diligence in the operation and maintenance of its water system to prevent and avoid abnormal interruptions and fluctuations of supply and pressure. Should greater pressures than

that available at a point of delivery be required by the DISTRICT, it shall be the DISTRICT'S responsibility, at its own expense, to provide within its system such booster pumping, storage or other facilities as may be required to develop PUBLIC SERVICE GONDISSION WITHIN the DISTRICT'S system.

SEP 23 1994

# 3.3 Future Points of Delivery

It is forseeable that future growth within certain portions of the DISTRICT'S system will mesessitate additional Delivery Points. The anticipated location of, transmission line sizes, and maximum flow rates at these additional Delivery Points are shown in Exhibit A-1. OMU agrees to conduct a hydraulic analysis of its water system to determine if it is feasible to provide these additional Delivery Points without materially affecting its ability to provide adequate service to its other If it is feasible, then OMU shall provide these customers. additional Delivery Points according to the approximate timetable shown in Exhibit A-1. The capital costs incurred by OMU in providing additional Delivery Points will be identified and allocated by OMU between: (a) Transmission Facilities, and (b) facilities which are expected by OMU to provide service only to the The portion of capital costs of providing these DISTRICT. additional Delivery Points which has been identified by OMU as Transmission Facilities shall be included in the annual amount specified in Section 1.16 of this Agreement. OMU shall, at all times, operate and maintain its water system in an efficient manner and shall take such action as may be reasonably necessary to perform its obligations under this Agreement. OMU shall not be liable for any damage or loss allegedly due to interruption of the supply of water to DISTRICT, but shall remedy any failure to deliver water with all possible

dispatch.

# 4.4 Notice of Anticipated Growth

The DISTRICT shall notify OMU in writing of its intent to commence serving a customer, or group of customers, whose anticipated demand will increase the DISTRICT'S average daily usage by 250,000 gallons or more.

### 4.5 Alternative Source of Water

In the event OMU is unable to produce and deliver to the DISTRICT sufficient quantities of water to meet the needs of the DISTRICT; then, in such event, the DISTRICT, after having purchased from OMU all of the water made available to the DISTRICT by OMU, shall be allowed to obtain from any other source such additional quantities of water as may be necessary to meet its customers' needs.

PEAK RATES AND FLOW MEASUREMPLYSUANT TO 807 KAR 5.011.

# 5.1 Peak Rates of Delivery

DISTRICT agrees to limit the rate at which it takes water from the OMU system at each delivery point to not more than the amounts specified in Exhibit A of this Contract. The contents of Exhibit A may be modified by mutual agreement of the DISTRICT and OMU.

### 5.2 Flow Measurement

OMU shall own, operate, and maintain the water metering devices at the point(s) of delivery. OMU shall make annual tests and inspections of the meters and such other tests and inspections as OMU may deem necessary to maintain them at the highest practical commercial standard of accuracy and advise the DISTRICT promptly of the results of all such tests. OMU shall give the DISTRICT notice of, and the opportunity to have representatives present at, any such tests or inspections. OMU will make additional tests of said meters at the request of the DISTRICT and in the presence of the DISTRICT'S representatives. The cost of additional tests requested by the DISTRICT shall be paid for by the DISTRICT.

No correction shall be made in the billing to the DISTRICT unless a test shows that the metering is more than three percent (3%) slow or fast. If any such test shows that the metering is inaccurate by more than three percent (3%) slow or fast, correction shall be made in the billing to the DISTRICT for the period during which the Parties agree that the inaccuracy existed, and if no such agreement is reached, then it shall be assumed that the error developed progressively RIBBLE STRECKS CONTROLLY has been been adjustment to billifically shall be made.

approval of OMU, except that water service may continue to be furnished by the DISTRICT to the extent such service is provided at the time of the execution of this Agreement. The DISTRICT'S existing wholesale customers and the maximum volume of water which may be sold to each of them is shown in Exhibit A-2 which is attached hereto.

# 7.2 Water from Other Sources

It is understood and agreed that the DISTRICT will not permit water from any other source or supply to be introduced into the DISTRICT'S water system, nor any part thereof, or to be mixed or mingled with water from the OMU system, without prior written approval of OMU, except in cases of emergency, and then only in such quantities as shall be necessary to relieve the emergency. OMU agrees that "emergency" as used herein includes curtailment of service covered by Section 6.2. The introduction of water into DISTRICT'S system pursuant to Section 4.5 hereof shall not be a violation of this Section, as long as DISTRICT exercises all reasonable measures necessary to prevent any PARKET CAN WATER IN DISTRICT'S system with that of OMU'S system.

PURSUANT TO 807 KAR 5:011.

BASIS OF CHARGE FOR WATER SERVICE

8.1 Intent

The Parties agree that the intent of this Article 8 is to provide for an allocation of the costs incurred by OMU in owning

and operating the respective water facilities based upon use or availability of water as follows:

- (a) A portion of the Fixed Costs of the Original Treatment Facility shall be paid by the DISTRICT in proportion to the actual peak water demand by the DISTRICT relative to the peak demand of the total OMU system during the Fiscal Year ending May 31, 1989. See the equation set out in Section 8.3, infra.
- (b) A portion of the Fixed Costs of the New Treatment Facility shall be paid by the DISTRICT in proportion to the DISTRICT'S effective utilization of the capacity of this Facility relative to the total capacity of this Facility. See the equation set out in Section 8.4, infra.
- (c) A portion of the Fixed Costs of the Transmission Facilities shall be paid by the DISTRICT in proportion to the DISTRICT'S peak water demand relative to the total OMU system peak of water demand. See the equation set out in Section 8.5, infra.
- (d) A portion of the combined Variable Expenses of all OMU treatment facilities shall be paid by the DISTRICT in proportion to water sales to the DISTRICT, plus transmission losses, relative to total water produced and delivered to the Transmission Facilities. See the equation sets produced to the OF KENTUCKY infra.

# 8.2 Summary

SEP 23 1994

In consideration for OMU's under the DISTRICT, the DISTRICT shall make payments to OMU as set forth

in this Article 8. In summary, the payments by the DISTRICT shall consist of five separately determined elements consisting of:

- (a) the Fixed Costs associated with the existing Original Treatment Facility,
- (b) the Fixed Costs associated with the New Treatment Facility,
- (c) the Fixed Costs associated with Transmission Facilities,
- (d) Variable Expenses such as chemicals and electric power, and
- (e) contract administration costs.

The total amount charged to the DISTRICT shall be equal to the sum of the charges determined in Sections 8.3 through 8.7 herein but not less than the District Annual Quantity times the rate billed to the DISTRICT at the end of the first full Fiscal OF KENTUCKY OF THE OF KENTUCKY OF THE OF KENTUCKY OF THE OF KENTUCKY ENTERTIME

The result will be the proposed rate to be charged the DISTRICT. SEP 23 1994

omu shall notify the DISTRICT in writing of the proposed rate on or before March 16 of each Fiscal Year, or at least 15 days before it is to be established as the actual rate, to permit the DISTRICT to review and comment on the proposed rate. OMU shall furnish the DISTRICT the information called for in the Exhibits attached to this Agreement in the same format contained therein.

Fifteen days after notice of the proposed rate is sent to the DISTRICT, OMU may establish the actual rate to be charged the

DISTRICT and shall immediately notify the DISTRICT in writing of the new rate. The effective date of the new rate shall be June 1 of each Fiscal Year, but not less than 60 days after it has been established by OMU, to allow submission of the new rate by the DISTRICT to the Kentucky Public Service Commission for approval of the DISTRICT'S Purchase Water Adjustment.

# 8.9 Billing and Payment

OMU shall submit to the DISTRICT as promptly as practicable after the first of each month and not later than the tenth of the month, an invoice for the transactions and the respective amounts due under the terms of this Agreement for the prior month. All such invoices shall be due and payable by the 20th of the month or within ten (10) days after receipt by the DISTRICT, whichever is later. Any amount unpayable after the contract of the shall be deemed delinquent and shall bear interest factors he rate of 12% per annum until paid.

### 8.10 Interim Rate Increases

PURSUANT TO 807 KAR 5:011,

The Parties acknowledge the needsfor OMU to increase its retail and wholesale water rates prior to the completion of the New Treatment Facility and implementation of the rates calculated according to Article 8 of this Agreement. OMU shall have the authority to increase its wholesale water rates; provided, however, that the rates charged to all other wholesale customers shall be increased by the same percentage as the rate to be charged the DISTRICT; and, provided further, that the rates to be charged OMU's

retail customers shall simultaneously be increased by at least the same percentage as the DISTRICT'S.

The effective date, as to the DISTRICT, of any such rate increases shall be at least 60 days after the new rate has been established by OMU. This delay will allow the DISTRICT time to apply to the Kentucky Public Service Commission for a Purchase Water Adjustment, so the DISTRICT can pass through the increased rates to its customers.

FORCE MAJEURE

PURSUANT TO 807 KAR 5:011, CECTICE 2 (1)

# 10.1 Definition of "Force Majeure"

The term "force majeure" as used herein shall mean acts of God, strikes, lockouts or other labor disturbances, acts of the public enemy, orders of any kind of the Government of the United States or the Commonwealth of Kentucky or any military authority, insurrection, riots, epidemics, landslides, earthquake, fires, storms, hurricanes, floods, washouts, droughts, arrests and people, civil disturbances, government and restraints of explosions, breakage or damage to machinery, canals, tunnels or pipelines, partial or entire failure of water system, and inability by OMU to furnish water hereunder or the DISTRICT to receive water hereunder for any reason or cause not reasonably within the control of the Party claiming such inability.

# 10.2 Notice of "Force Majeure"

If by reason of force majeure either party hereto shall be rendered unable, wholly or in part, to carry out its obligations under this Contract, then such party shall give notice and full particulars of such force majeure in writing to the other party within a reasonable time after the event or cause relied on, the obligation of the party giving such notices, so far as it is affected by such force majeure, shall be suspended during the continuance of the inability then claimed, but for no longer period, and any such party shall endeavor to remove or overcome such inability with all reasonable dispatch, provided however, that this Section 10.2 shall not apply to failures by OMU or the DISTRICT to make payments or credits for service rendered as specified under Article 8.

# 10.3 Responsibility and Indemnification

Each Party shall be solely responsible for the construction, operation, and maintenance of its respective water systems. Each Party, to the extent permitted by law, hereto expressly agrees to indemnify and save harmless and defend the other Party to this Agreement against all claims, demands, cost, or expense asserted by third parties and proximately caused by the negligence or willful misconduct of such indemnifying Party in connection with the construction, operation, and maintenance of its respective water system.

# DEFAULT, REMEDY, DISPUTED BILL

PURSUANT TO 807 KAR 5:011, SECTICA 9 (1)

# 11.1 Events of Default

The DISTRICT agrees to pay all monies as described in Article 8 when due and both Parties hereby agree to carry out all other duties and obligations to be performed by them pursuant to all of the terms and conditions set forth and contained in this Agreement. The failure of either Party to perform any of its duties or obligations contained herein shall be an event of default by that Party.

# 11.2 Notice of Default

Upon the occurrence of an event of default, the nondefaulting Party may promptly notify the defaulting Party, in writing pursuant to Section 13.1, of the existence and nature of the event of default.

### 11.3 Curing of Default, Termination and Remedy

- (a) Within fifteen (15) days after written notice of the event of default has been given, the defaulting Party shall cure such default.
- (b) The failure of OMU to comply with any water quality standards of any governmental entity shall not constitute an event of default if OMU undertakes to cure such failure as soon as practicable and within 15 days of OMU's receipt of notice thereof and continues in good faith to cure the failure.

- (c) Should the defaulting Party fail to cure the default within 15 days after written notice has been given to it, or within the time reasonably necessary to cure the default by the exercise of due diligence, or within the time specified in Section 11.4, infra, then the nondefaulting Party may, at its option, immediately terminate this Agreement and recover from the defaulting Party any and all damages to which it may be entitled under applicable law.
- (d) Notwithstanding the foregoing provisions, neither Party shall have the right to terminate this Agreement unless the event of default constitutes a breach of a material term or condition of this Agreement.

# 11.4 Suspension of Services After Nonpayment

Should an act of default by the DISTRICT in payment of monies under this Contract continue for a period of thirty (30) days from the giving of written notice without having been cured by the DISTRICT, then OMU may, by written notice, suspend the right of the DISTRICT to receive any or all of its water supply from OMU. If the default in payment continues for 30 days or more after suspension, OMU may terminate this Agreement and recover from the PUBLIC SERVICE COMMISSION DISTRICT any and all damages to which it may DEKERNICE UNDER APPLICABLE LAW.
