incurred, including but not limited to appropriate legal, administrative, engineering, overhead, or other related costs.

- e) Meter Re-read Charge: Will be assessed when a customer requests the utility to re-read the customer's meter and the re-read proves that the original meter reading was correct.
- f) Meter Test Charge: Will be assessed when a customer requests the utility perform a test on the customer's meter to check for accuracy, and the test shows the customer's meter is not more than two percent (2%) fast.
- g) Reconnection Charge: Will be assessed to reconnect service that has been terminated for non-payment of service or for violation of Utility or Public Service Commission rules and regulations, and will include the cost of the service trip for both the disconnection and the reconnection.
- h) Returned Check Charge: Will be assessed when a customer's check is returned, either due to insufficient funds or other reason due to customer fault.
- i) Service Call/Investigation Charge: Will be assessed when a customer requests the onsite presence of utility personnel to investigate a service problem and the problem is a result of the customer's own plumbing facilities, beyond the utility's delivery point, or not caused by failure of utility facilities. Any maintenance and repair of facilities beyond the utility's delivery point is the responsibility of the customer.
