B. The Company may reject any application for membership when the applicant is delinquent in payment of bills incurred for service previously supplied at any location.

RULES AND REGULATIONS

- C. Service discontinued for non-payment of bills will be restored only after bills are paid in full, and a service charge of fifteen (\$15.00) dollars paid for each meter re-connected.
- D. The Company reserves the right to discontinue service without notice where evidence is found that the customer has obtained service through fraudulent or illegal means, or where a dangerous condition is found on the customer's or applicant's premises. All other discontinuances of service shall require a notice by the Company to the customer of ten (10) days or the amount of time required by 807 KAR 5:006E, Section 11, whichever is shorter. The Association must reconnect service as soon as the cause for discontinuance has been corrected.

XII. Complaints - Adjustment.

- A. If the member believes his bill to be in error, he shall present his claim, in person or in writing, to the Board of Directors before the bill becomes delinquent. Such claim, if made after the bill has become delinquent, shall not be effective in preventing discontinuance of service, as heretofore provided. The member may pay such bill under a protest and said payment shall not prejudice his claim.
- B. The Company will make special meter readings at the request of the member for a fee of one (\$1.00) dollar, provided, however, that if such special reading discloses that the meter was overread, no charge will be made.
