4th Revised SHEET NO. 2

East Laurel Water District
(Name of Utility)

RULES AND REGULATIONS

12. On all new connections, a separate meter must be installed for each residence, apartment, unit, mobile home, business, or family unit residing in a duplex or other multi-unit premise. For existing customers where two or more residences, apartment units, mobile homes, businesses, or family units residing in a duplex or other multi-unit premise are served by a single water meter, the water bill for each occupant, tenant, business, or family unit will be computed as follows:

- a. The customer whose name the meter is in will be billed for the actual water registered by that meter.
- b. All other customers shall pay the minimum bill.

13. The District's system is not designed nor intended for use for fire protection in any manner whatsoever. Any customer using same for fire protection does so at their own full and sole responsibility.

14. A charge of \$20.00 will be charged for inspection of customer's service lines that are not covered by the state or local plumbing inspectors per KRS 318 as ordered by the Public Service Commission in Case No. 10048 on 6/22/88, Wood Creek Water District.

15. Extensions of Service: The District may make extensions per 807 KAR 5:066, Sect. 12 and/or 807 KAR 5:011, Sect.13, Special Contracts, copy of approved contract attached hereto. All customers desiring an extension will be presented both of the above and may choose which one they prefer.

If surplus funds are used for extensions of service, the following criteria will be reviewed:

- a. Whether surplus funds exist.
- b. Substantial opportunity for repayment of the expended surplus funds exists.
- c. The extension would not otherwise be constructed, due to unavailability of financing from any other source.
- d. Any other relevant facts that pertain to the proposed extension.

16. A charge of \$40.00 will be charged to the London Utility Commission for reconnection of water service for their sewer customers.
