the meters for the 30th of the month billing cycle between the 17th and 27th of each month. The past due date shall be the 25th for bills mailed in the 15th of the month cycle and the 10th for bills mailed in the 30th of the month cycle. Bills must be received in the office by the close of the Business to receive the discounted rate. All wholesale and retail customers shall pay a ten percent (10%) penalty if the bill is not paid by the discount date. Wholesale customers meters will be read and mailed the last workday of the month with disconnect day to be the 30th of the following month.

2. Whenever rates and charges remain unpaid after due date, the property and the owner thereof, as well as the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid under the authority of *Puckett vs. Muldraugh*, Ky., 403 S.W.2d 252 (1966). The district shall serve the delinquent customer a written, final notice of said delinquency. The delinquency notice will be mailed each month between the 15th-20th for the 30th of the month billing cycle and between the 30th-5th for the 15th of the month billing cycle, with the date of disconnect to be 10 days after the date the notice was mailed. If a delinquent bill is not paid within ten days after date of such final notice, the water supply to any delinquent customer shall be discontinued without further notice, and not reconnected until all delinquent charges, including penalty and reconnect fees are paid in full.

3. When property is being served during the term of a water user's contact, which shall be for a period of not less than one (1) year, the District shall have a lien on the property being served by the District for the unpaid portion of the unexpired term of the contact, and notice of said lien shall be filed in the county wherein the service is located. Upon the expiration of the term with no delinquency, the District shall release the lien at no cost to the customer, but should the customer desire a release prior to the expiration of the term for

The commission of the District may designate a county clerk, his/her successors in office, as attorney in fact for the District to release said liens upon oral authorization of the District Manager.

- G. Where the water supply to a delinquent customer has been disconnected by request or for non-payment of a delinquent bill, a charge of \$20.00 will be made for re-connection of water service and re-connection shall not be made until the requirements of paragraph F of these rules and regulations have been complied with.
- H. All final bills not paid within thirty (30) days will cause the customer to be removed from membership with the final bill to be paid from the membership deposit with the balance, if any, mailed to the last, known address. If there is a balance of less than \$1.00, no refund shall be made.
- I. The Great Onyx Job Corps Center is responsible for reading its own meter on the fifteenth of each month and calling in this reading in order for its bill to be prepared and mailed earlier. The District will check the meter reading when that meter route is read for verification of the reading. The disconnect date will be the 30th of the following month.
- J. The District reserves the right to request a nominal sum to be placed on deposit with the District for the purpose of establishing or maintaining any customer's credit.
- K. All meters shall be installed, renewed, and maintained at the expense of the District, but the District reserves the right to determine the size and type of meter used.

- L. Upon written request of any customer, the meter serving said customer shall be tested by the District. Such test shall be made without charge to the customer if the meter has not been tested within 12 months preceding the requested tests otherwise a charge of \$22.00 will be made and then only if the test indicates meter accuracy within the limits of 2%. If a meter is inaccurate in excess of 2%, adjustments shall be made in accordance with the regulations of the Public Service Commission pursuant to 807 KAR 5:066, § 9(C).
- M. Where a meter has ceased to register, or a meter reading could not be obtained, the quantity of water consumed will be based upon an average of the prior six months' consumption and the conditions of water service prevailing during the period in which the meter failed to register.
- N. The District shall make all reasonable efforts to eliminate interruption of service and when such interruptions occur will endeavor to re-establish service with the shortest possible delay. When the service is to be interrupted all consumers affected by such interruption will be notified in advance whenever it is possible to do so.
- O. The District shall in no event be held responsible for any claims made against it by reason of the breaking of any mains or service pipes or by reason of any other interruption of the supply of water caused by the failure of machinery or stoppage for necessary repairs. No persons shall be entitled to damages nor for any portion of a payment refunded for any interruption of service which in the opinion of the District may be deemed necessary.
- P. Customers having boilers and/or pressure vessels receiving a supply of water from the District must have a check valve on the water supply line and a vacuum valve on the steam line to prevent collapse

NEW LINE EXTENSION CONTRACT

This CONTRACT made and entered into by and between the EDMONSON COUNTY WATER DISTRICT, a municipal corporation of the Commonwealth of Kentucky, hereinafter called the "District," and

of _____, County of _____, Commonwealth of Kentucky, hereinafter called "Customer," whether one or more;

W I T N E S S E T H: That

WHEREAS, The District is engaged in the treatment, transmission and sale of potable water; and

WHEREAS, The Customer is the owner of real property near or adjacent to the service area of the District with a water transmission line within connecting distance; and

WHEREAS, The Customer desires to receive water service, but the District has not the funds, equipment or manpower to lay and construct lines to serve the Customer;

WHEREAS, The Customer is willing to construct and lay water transmission line or lines from the end of the District's line; and

NOW, THEREFORE, THE PARTIES AGREE:

1) Customer shall prepare or cause to be prepared and submit plans for the construction of water transmission lines, which shall comply with all regulations of any responsible agency or agencies of the Commonwealth of Kentucky, at the cost to Customer. Said plans shall be prepared in consultation with the Manager of the District and shall comply with specifications established by the District. After approval by the appropriate state agencies, said plans shall be submitted to the Commissioners of the District for consideration or approval.

2) Said plans shall state the number of customers who shall be served upon completion of the project.

3) The customer and the manager of the District shall determine the total cost of the proposed water main extension (exclusive of the meter connections) and the total length of the extension. Construction to be done in the most economical manner available. If construction is done by someone other than the District then the District shall inspect the construction. Copies of quotes, bids, checks, etc., shall be filed with the District for verification of cost where it shall be open to public examination. The District shall pay that portion of the cost of the water main extension equal to 50 feet for each applicant for service. That part of the cost not covered by the District's portion shall be borne equally by those applicants desiring service on the main extension. Each applicant shall also be required to pay the District's approved "tap fee" for a meter connection to the main extension.

For a period of ten years after the original construction of main extension each additional customer directly connected to each particular extension will be required to contribute to the cost of that water main extension based on a recomputation of both the District's portion of the total cost and each customer's contribution as set out above. The District must refund to those customers that have previously contributed to the cost of each main extension itself that amount necessary to reduce their contribution to the currently calculated amount for each customer connected to that extension. All customers directly connected to each main extension for a ten year period after it is placed in service are to contribute equally to cost of construction of the water main extension itself. In addition each customer must pay the approved "Tap-on-fee" applicable at the time of their applicaton for the meter connection. The "Tap-on-fee" is not part of the refundable cost of the extension it may be changed during the refund period. In no case will the total amount refunded exceed the amount paid by the District. After the ten year refund period expires, any additional customer applying for service on each main extension must be connected for the amount of the approved "tap-on-fee" only.

4) Customer & District together shall obtain and provide all necessary easements, licenses, or permits for rights-of-way required for the water transmission lines.

5) The Customer shall convey the title to all water transmission lines, their appurtenances, to the District, its successors and assigns, with covenants that there are no liens or encumbrances on said lines at the time lines are put in service.

6) The District has the right to extend the lines or to connect laterals therefrom.

7) This contract is valid only upon acceptance by the Commissioners of the District and the affixing to this contract of the signature of duly authorized Chairman of the Commission.
